# 1. ODA LOANS

**ODA Loans** support developing countries by providing low-interest, long-term and concessional funds to finance their development efforts for the purpose of economic and social infrastructure such as electricity, gas, transportation and communications services in many developing countries. In recent years, Jordan has economic burden; an increasing population living in poverty due to the influx of refugees from nearby countries. The Government of Japan underscored to enhance the support to Jordan with the announcement of (2) Enhancing Diplomacy Towards Stability and Prosperity in the Middle East in “3 Pillar Foreign Policy in Response to the Japanese Hostage Murder Incident”.

Trilateral Cooperation Project "Introduction of Advanced Agricultural Technology under Trilateral Cooperation  
(1) Tropical fruits production (2) Tilapia farming experiment

JAIP: Jericho Agro-Industrial Park

In 2006, Japan proposes its concept of creating "The Corridor for Peace and Prosperity" in cooperation with Israelis, Jordanians and Palestinians. The concept is to work collaboratively to materialize projects that promote regional cooperation for the prosperity of the region, such as establishing the Jericho Agro-Industrial Park (JAIP) in the West Bank and facilitating the transportation of goods.
