

Schedule of Malaysia

Explanatory Notes

1. Alphabets indicated against individual sectors or sub-sectors and numbers in brackets are references to the Services Sectoral Classification List (GATT Document MTN.GNS/W/120, dated 10 July 1991 and the Provisional Central Products Classification (Statistical papers Series M No. 77, Department of International Economic and Social Affairs, Statistical Office of the United Nations, New York, 1991). These alphabetical and numerical divisions are indicated to enhance the clarity in the description of specific commitments, but shall not be construed as being a part of the specific commitments.
2. The scheduling of specific commitments follows the Guidelines for the Scheduling of Specific Commitments (WTO Document S/L/92, dated 28 March 2001). The Guidelines shall not, however, be construed as being legally binding.
3. The modes of supply 1), 2), 3) and 4) indicated in this Schedule correspond respectively to the supply of services defined in subparagraphs (v)(i),(ii),(iii)and (iv) Article 50.1.
4. The entry "Unbound*" means unbound due to lack of technical feasibility.
5. The use of "*" against individual CPC codes indicates that the specific commitment for that code does not extend to the total range of services covered under that code.

Modes of supply: 1) Cross-border supply 2) Consumption abroad 3) Commercial presence 4) Presence of natural persons
