1. ODA LOANS

ODA Loans support developing countries by providing low-interest, long-term and concessional funds to finance their development efforts for the purpose of economic and social infrastructure such as electricity, gas, transportation and communications services in many developing countries. In recent years, Jordan has economic burden; an increasing population living in poverty due to the influx of refugees from nearby countries. The Government of Japan underscored to enhance the support to Jordan with the announcement of (2) Enhancing Diplomacy Towards Stability and Prosperity in the Middle East in “3 Pillar Foreign Policy in Response to the Japanese Hostage Murder Incident.”

Emergency Grant Aid

Grant aid for UNICEF,
at the launching ceremony

Japan provides Emergency Grant Aid for the governments of affected countries or international and other organizations (including Red Cross and Red Crescent Societies), with a view to providing urgent support for refugees, internally displaced persons (IDPs), or people affected by natural disasters and/or conflicts.

In response to the serious humanitarian situation in Syria and neighboring countries, Japan has enforced the support to both refugees and IDPs with international organizations.

| FY | Project | Amount (USD) |
|------|---|-------------------------------|
| 2016 | Emergency Grant Aid for improvement of humanitarian situation in Syria | 4.7 million* (0.5 million) |
