3. Duration

Note 1: Attachment

Attach documents to this application such as project documents, budget documents, outline of the organization, statutes of organization, executive member list, past experience for hosting events etc.

Note 2: Criteria for using the logo

1 The TICAD8 logo (hereinafter referred to as "the logo") may be used only for projects, goods, printed materials, etc. (hereinafter referred to as "projects") that fall under any of the following categories:

(1) Projects that aim to develop the African economy and society, promote the attractiveness of Africa, or build peace in Africa

(2) Projects that contribute to strengthening Japan-Africa relations

2 Notwithstanding the provisions of the paragraph 1, the logo may not, in principle, be used for any of the following projects:

(1) Projects offensive to public order or public morality, etc.

(2) Projects for profit-making purposes or events not pursued in the public interest, etc.

(3) Projects carried out by a political or religious organization or any equivalent organization, etc.

(4) Projects that are highly political or religious events, etc.

(5) Projects that may promote the interests of a specific organization, etc.

(6) Projects to be hosted by an organization of dubious competence in project management, etc.

(7) Projects that are not expected to facilitate the promotion of Japan or African countries or to promote international friendship or contribute to Japan's diplomacy, etc.

(8) Projects that are not expected to promote friendship between Japan and other countries, etc.

(9) Projects that violates or may violate any law or regulation of the venue of the project, etc.

(10) Projects that are found to be diplomatically inappropriate (eg, disregarding the spirit of TICAD etc.).

(11) Projects that are not taken measures to prevent infections of COVID-19 required by the venue of events appropriately.

*Even after the permission is granted, the use of the logo would be cancelled and goods using the logo should be recalled, in case it becomes clear that the application was fraud, the logo is used for purposes other than declared purposes, the use of the logo

does not meet the criteria, or in case the Government of Japan or the Government of Tunisia deems it necessary.
