## Pillar 4: Extending Efforts for Security and Safe Use of the "Sea" to the "Air"

## Case (45): Cooperation projects to contribute to maritime security

## 1. Basic concept

- Further step up initiatives to help each country in the Indo-Pacific region to build the capacity of its armed forces, etc.
- Strive to obtain the maximum effects by working closely with the United States, Australia, and other partners
- Expand support for Typically Pacific Island Countries in addition to that for Southeast Asian and other countries
- ⇒The government aims at creat a desirable security environment for Japan and work to strengthen relationships with countries we support.

## 2. Items of cooperation

- Japan-Philippines vessel maintenance cooperation project
- Japan-Philippines aviation medicine cooperation project
- Japan-Vietnam underwater medicine cooperation project
- Japan-Vietnam air rescue cooperation project
- Japan-Vietnam underwater UXO clearance cooperation project
- Japan-Sri Lanka air rescue cooperation project
- Japan-ASEAN Ship Rider Cooperation Program
  - → Program that provides young officers, etc., from ASEAN member countries with ship riding and other sorts of training on the Maritime Self-Defense Force's vessels
