### PREAMBLE.

The President of the United States of America, the President of the French Republic, His Majesty the King of Great Britain, Ireland and the British Dominions beyond the Seas, Emperor of India, H. M. the King of Italy, H. M. the Emperor of Japan;

Considering that, in concluding the Pact of Paris of August 27th, 1928, they declared that war should not be used as an instrument of national policy and further agreed that all disputes and conflicts should be settled by pacific means;

Being convinced that the arresting of the competition and the lightening of burdens in naval armament will advance the peaceful and friendly relations now existing among their respective countries and thus contribute to the maintenance of the general security;

Animated by a sincere desire to further the aims and ideals of the Washington Treaty of Naval Disarmament of 1922 and to make substantial reductions in all the categories of their naval equipments;

Have decided to conclude a Treaty and for that purpose have appointed as their respective plenipotentiaries:

(Énumération des H.P.C.)

.....

Désireux du contribuer au succès de la limitation et de la réduction générales des armements,

Consentants des devoirs qui leur impose le renforcement de la Paix du Monde par les Pactes internationaux intervenus depuis 1919 en vue de la mise hors la loi de la guerre et tout particulièrement par le Pacte de Paris du 28 Août 1928,
