EXPLANATORY NOTES FOR THE SERVICES LISTED IN CPC

SECTION 5 CONSTRUCTION WORK AND CONSTRUCTIONS; LAND

DIVISION 51 CONSTRUCTION WORK

Pre-erection work; new construction and repair, alteration, restoration and maintenance work on residential buildings, non-residential buildings or civil engineering works. This work can be carried out either by general contractors who do the complete construction work for the owner of the project, or on own account; or by subcontracting parts of the construction work to contractors specializing, e.g., in installation work, where the value of work done by subcontractors becomes part of the main contractor's work. The products classified here are services which are essential in the production process of the different types of constructions, the final output of construction activities.

511 Pre-erection work at construction sites

5111 51110 Site investigation work

Investigation work aiming at finding the most suitable site for a construction project, and demarcation work, i.e./demarcation of a locality where one or more major stages or processes of construction work are being carried on.

Exclusions: Test drilling services are classified in subclass 51130 (Site formation and clearance work). Architectural, engineering, surveying and mapmaking services are classified in group 867 (Architectural, engineering and other technical services).

5112 51120 Demolition work

Wrecking and demolition work of buildings, other structures and streets and highways, and sales of material derived from demolishing operations.

5113 51130 Site formation and clearance work

Preparation work aiming at making sites ready for subsequent construction work, including blasting, test drilling and rock removal work.

5114 51140 Excavating and earthmoving work

Excavating and digging work, earthmoving work, grading of construction sites and trench digging.

Exclusion: Foundation digging work is classified in subclass 51510 (Foundation work, incl. pile driving).

5115 51150 Site preparation work for mining

Tunnelling, overburden removal and other development and preparation work of mineral properties and sites, except for mining oil and gas.

Exclusion: Construction services incidental to oil and gas mining are classified in subclass 88300 (Services incidental to mining).

- 5116 51160 Scaffolding work
Scaffold erecting and dismantling work.
- 512 Construction work for buildings
- 5121 51210 For one- and two-dwelling buildings
Construction work (incl. new work, additions, alterations and renovation work) of residential buildings containing one or two dwellings.
- 5122 51220 For multi-dwelling buildings
Construction work (incl. new work, additions, alterations and renovation work) of residential buildings containing three or more dwellings.
- 5123 51230 For warehouses and industrial buildings
Construction work (incl. new work, additions, alterations and renovation work) of warehouses and industrial buildings such as manufacturing and light industrial buildings.

Exclusion: Construction work on certain specialized facilities for manufacturing is classified in subclass 51360.
- 5124 51240 For commercial buildings
Construction work (incl. new work, additions, alterations and renovation work) of commercial buildings such as office buildings, bank buildings, parking garages, petrol and service stations, shopping centres and air, rail or road transport terminals.
- 5125 51250 For public entertainment buildings
Construction work (incl. new work, additions, alterations and renovation work) of public entertainment buildings such as cinemas, theatres, concert halls, dance halls and nightclubs.

Exclusion: Construction work on sport and recreation facilities is classified in class 5137.
- 5126 51260 For hotel, restaurant and similar buildings
Construction work (incl. new work, additions, alterations and renovation work) of hotels, motels, inns, hostels, restaurants and similar buildings.
- 5127 51270 For educational buildings
Construction work (incl. new work, additions, alterations and renovation work) of educational buildings such as schools, colleges, universities, libraries, archives and museums.

- 5128 51280 For health buildings
Construction work (incl. new work, additions, alterations and renovation work) of health buildings such as hospitals and sanatoria.
- 5129 51290 For other buildings
Construction work (incl. new work, additions, alterations and renovation work) of non-residential buildings not elsewhere classified, such as religious buildings and prison buildings.
- 513 Construction work for civil engineering
- 5131 51310 For highways (except elevated highways), streets, roads, railways and airfield runways
Construction work of highways (except elevated highways), streets, roads, other vehicular and pedestrian ways, guardrails, railways and airfield runways.
Exclusion: Construction work of elevated highways and of subways is classified in subclass 51320.
- 5132 51320 For bridges, elevated highways, tunnels and subways
Construction work of bridges, viaducts, elevated highways, highway, pedestrian and railway tunnels, and subways.
- 5133 51330 For waterways, harbours, dams and other waterworks
Construction work of waterways, harbours and riverworks, dams, irrigation and other waterworks.
Exclusions: Construction work on pipelines and on water and sewer mains are classified in subclasses 51340 (For long distance pipelines, communication and power lines (cables)) and 51350 (For local pipelines and cables; ancillary works), respectively.
- 5134 51340 For long distance pipelines, communication and power lines (cables)
Construction work of long distance overland or submarine pipelines and power and telecommunication transmission lines (cables).
Exclusion: Construction work of local gas pipelines, water mains or communication transmission lines (cables) are classified in subclass 51350 (Construction work for local pipelines and cables; ancillary works).
- 5135 51350 For local pipelines and cables; ancillary works
Construction work of local gas pipelines and water and sewer mains and local power and communication transmission lines (cables). Construction work of ancillary works such as transmission towers including antennas

and transformer stations and substations for distribution within local boundaries.

Exclusion: Construction work of long distance pipelines and cables are classified in subclass 51340.

5136 51360 For constructions for mining and manufacturing

Construction work of constructions for mining and manufacturing not elsewhere classified, e.g. loading and discharging stations, winding-shafts, power plants, chemical plants, iron foundries, blast furnaces and coke ovens.

Exclusion: Construction work for warehouses and industrial buildings is classified in subclass 51230.

5137 For constructions for sport and recreation

51371 For stadia and sports grounds

Construction work of stadia and other grounds for sports generally played in the open air such as football, baseball, rugby, track and field, car or bicycle races and horse-races.

51372 For other sport and recreation installations (e.g. swimming pools, tennis courts, golf courses)

Construction work of other sport and recreation installations. The sport installations classified here are mostly for indoor sports and provide less space for spectators, e.g. basketball courts, ice hockey rinks, swimming pools, tennis courts, gymnastic halls and boxing rings. Construction work of recreation installations, e.g. golf courses, beach installations, mountain refuges, marinas for pleasure boats, park grounds and recreational park facilities.

5139 51390 For engineering works n.e.c.

Construction work for engineering works not elsewhere classified, such as mine site construction.

514 Assembly and erection of prefabricated constructions

5140 51400 Assembly and erection of prefabricated constructions

Installation on site of complete prefabricated buildings or other constructions, or the assembly and erection of prefabricated sections on sites into buildings or other constructions except erection work of prefabricated steel parts.

Exclusion: Erection work of prefabricated steel parts for buildings and other structures is classified in subclass 51550 (Steel bending and erection (incl. welding)).

- 515 Special trade construction work
- 5151 51510 Foundation work (incl. pile driving)
Special trade foundation work and pile driving and related work.
Exclusions: Excavating, digging and other earthmoving work is classified in subclass 51140.
Concrete work is classified in subclass 51540.
Masonry block foundation work is classified in subclass 51560 (Masonry work).
- 5152 51520 Water well drilling
Special trade construction work involving drilling or digging water wells; installation and repair work of water well pumps and well piping systems.
Exclusion: Installation and repair work of piping systems within buildings are classified in subclass 51620 (Water plumbing and drain laying work).
- 5153 51530 Roofing and water proofing
Special trade construction work involving the installation of roofing, guttering and spouting, roof shingling and metal roof work. Roof painting work. Included is other water proofing work for buildings.
- 5154 51540 Concrete work
Special trade construction work involving concreting, concrete pouring and other concrete work, including portland cement and asphalt, on construction projects.
Exclusions: Construction work involving the paving of streets, highways and public sidewalks is classified in subclass 51310 (Construction work for highways (except elevated highways), streets, roads, railways and airfield runways).
Block laying work is classified in subclass 51560 (Masonry work).
- 5155 51550 Steel bending and erection (incl. welding)
Special trade construction work involving steel bending, construction work on steel frameworks, erection work from purchased or self-manufactured structural steel components for buildings or other structures such as bridges, overhead cranes or electricity transmission towers, and steel reinforcing work. Welding work is also included.
- 5156 51560 Masonry work
Special trade construction work involving bricklaying, block laying, stone setting and other masonry work.

- Exclusions: Concrete work is classified in subclass 51540.
- Interior fitting decoration work is classified in subclass 51770.
- 5159 51590 Other special trade construction work
- Other special trade construction work not elsewhere classified, e.g./grave excavation, house moving.
- 516 Installation work
- 5161 51610 Heating, ventilation and air conditioning work
- Special trade construction work involving electric or non-electric heating, ventilation, refrigeration or air conditioning equipment. Duct work and other related sheet-metal work performed as an integral part of such work is included.
- Exclusion: Electric heating appliance installation work is classified in subclass 51649 (Other electrical construction work).
- 5162 51620 Water plumbing and drain laying work
- Special trade construction work involving primary hot and cold water piping systems (i.e. plumbing), including sprinkler installation, draining (except sewerage or stormwater drains construction work) and septic tank installation. Plumbing work arising from the installation of appliances is included.
- Exclusions: Sewerage or stormwater drains construction work is classified in subclass 51330 (General construction work for waterways, harbours, dams and other waterworks).
- Installation work of space heating is classified in subclass 51610 (Heating, ventilation and air conditioning work).
- 5163 51630 Gas fitting construction work
- Special trade construction work involving natural gas fitting and dry heating systems, except electric heating and duct work.
- Exclusion: Space heating, ventilating and air conditioning work is classified in subclass 51610, whether or not for use with gas.
- 5164 Electrical work
- 51641 Electrical wiring and fitting work
- Special trade construction work involving the installation of the basic electrical wiring network or of fittings in buildings or other construction projects.
- Exclusion: Insulation work of electrical wiring from water piping is classified in subclass 51650 (Insulation work).

51642 Fire alarm construction work

Special trade construction work of fire alarm, fire fighting and fire escape equipment.

Exclusions: Sprinkler installation work is classified in subclass 51620 (Water plumbing and drain-laying work).

Fireproofing work is classified in subclass 51650 (Insulation work (electrical wiring, water, heat, sound)).

51643 Burglar alarm system construction work

Special trade construction work of burglar alarm systems at the construction site.

51644 Residential antenna construction work

Special trade construction work of residential antennas and aerials. Installation work of lightning conductors is included.

51649 Other electrical construction work

Other special trade electrical construction work, not elsewhere classified, e.g. highway lighting and electrical signal construction work and sound equipment, electrical heating or telecommunications equipment installation work. Electrical work arising from the installation of appliances is included.

5165 51650 Insulation work (electrical wiring, water, heat, sound)

Special trade construction work insulating electrical wiring from water piping, and of water, heat or sound, including weather-proofing insulating materials for exterior wall cavities and thermal insulation work to hot and chilled water pipes, boilers and duct runs. Fireproofing work is included.

Exclusion: Water proofing work to roofs is classified in subclass 51530 (Roofing and water proofing).

5166 51660 Fencing and railing construction work

Special trade construction work of fences, railings and similar enclosures. The fences may be of different materials (wire, wood, steel, fibre glass) and may be used at various sites (courts, playgrounds, residential properties or industrial premises).

5169 Other installation work

51691 Lift and escalator construction work

Special trade construction work of lifts and escalators and moving sidewalks. Also included is fire escape equipment construction work (e.g. of staircases).

51699 Other installation work n.e.c.

Other special trade construction work, not elsewhere classified, involving goods not regarded as part of the basic building structure (e.g. installation work of blinds and awnings).

517 Building completion and finishing work

5171 51710 Glazing work and window glass installation work

Special trade construction work of glass, glass cladding, mirrors and other glass products; close-in work such as window glass installation work.

5172 51720 Plastering work

Special trade construction work of interior and exterior plaster or stucco and of lathing materials. Dry wall work involving the installation of wallboard generally of gypsum.

5173 51730 Painting work

Special trade painting and related construction work on building interiors and exteriors, and painting work of heavy (engineering) structures, including road surface and parking lot marking work.

Exclusion: Roof painting work is classified in subclass 51530 (Roofing and water proofing).

5174 51740 Floor and wall tiling work

Special trade construction work of laying or setting ceramic, concrete or cut stone wall or floor tiles.

5175 51750 Other floor laying, wall covering and wall papering work

Special trade construction work of carpeting, linoleum, asphalt tile, resilient flooring and parquet and other hardwood flooring.

Paperhanging work of wallpaper. Related finishing work is included.

Exclusions: Installation work of concrete floors (except tile) is classified in subclass 51540 (Concrete work).

Installation work of stone and ceramic floor tiles is classified in subclass 51740 (Floor and wall-tiling work).

5176 51760 Wood and metal joinery and carpentry work

Special trade construction work involving carpentry work, the fixing of wooden formwork on construction projects and the building and installation of cabinets at the construction site.

5177 51770 Interior fitting decoration work

Special trade construction work of poured-in-place terrazzo works and interior marble, granite or slate work.

Exclusions: Exterior decoration work is classified in subclass 51560 (Masonry work).

Installation work of tiles is classified in subclass 51740 (Floor and wall-tiling work).

5178 51780 Ornamentation fitting work

Special trade construction work of standard or custom fabricated sheet metal components, decorative iron or steel work, and ornamental or architectural metal work. Such work may also be for functional purposes, e.g./sheet metal heating or air-conditioning duct work.

Exclusion: Installation work of sheet metal roofing is classified in subclass 51530 (Roofing and water proofing).

5179 51790 Other building completion and finishing work

Other special trade building completion and finishing work, e.g./acoustical work involving the application of acoustical panels, tiles and other materials to interior walls and ceilings, and steam or sand cleaning work of building exteriors.

518 Renting services related to equipment for construction or demolition of buildings or civil engineering works, with operator

5180 51800 Renting services related to equipment for construction or demolition of buildings or civil engineering works, with operator

Leasing or rental services concerning construction or demolition equipment with operator and operational services provided by the operator.

Exclusion: Leasing or rental services concerning construction machinery and equipment without operator is classified in subclass 83107.

DIVISION 52 CONSTRUCTIONS

Residential buildings, non-residential buildings and civil engineering works completed or work-in-progress during the inquiry period.

Products classified here are non-transportable goods or, in the SNA terminology, non-financial, fixed tangible assets, and their production may constitute fixed capital formation.

521 Buildings

5211 Residential buildings

52111 One- and two-dwelling buildings

Residential buildings with one or two dwellings.

52119 Other residential buildings

Residential buildings with three or more dwellings.

5212 Non-residential buildings

52121 Warehouses and industrial buildings

Buildings used to house warehousing activities and the production and assembly activities of industrial establishments, e.g./factories, plants, workshops.

Exclusion: Non-residential farm buildings are classified in subclass 52129 (Other buildings).

52122 Commercial buildings

Commercial buildings, including office buildings, bank buildings, buildings used primarily in wholesale and retail trades, e.g. shops, air, rail or road transport terminals, parking garages and petrol and service stations.

52123 Buildings for public entertainment

Buildings for public entertainment, e.g. theatres, concert halls, motion-picture theatres, dancehalls and nightclubs.

Exclusions: Museums, art galleries, libraries and similar buildings are classified in subclass 52125 (Educational buildings).

Constructions for sport and recreation are classified in class 5227.

52124 Hotel, restaurant and similar buildings

Hotels, restaurants and other buildings used in providing short-term lodging, food and beverages.

52125 Educational buildings

Buildings used directly in instructional activities, e.g. schools, universities, museums, art galleries, libraries.

52126 Health buildings

Buildings used to provide hospital and institutional care, e.g. hospitals, infirmaries, sanatoria, nursing homes.

52129 Other buildings

Buildings, not elsewhere classified, e.g./religious buildings, community buildings, non-residential farm buildings.

Exclusion: Constructions for sport and recreation are classified in class 5227.

- 522 Civil engineering works
- 5221 Highways (except elevated highways), streets, roads, railways, airfield runways
- 52211 Highways (except elevated highways), streets, roads
- Highways (except elevated highways), streets, roads and other vehicular and pedestrian ways. Guard-rails and surfaced parking areas, driveways, vehicular or pedestrian underpasses and overpasses, and bicycle paths.
- Exclusion: Elevated highways and highway tunnels are classified in subclass 52222 and 52223, respectively.
- 52212 Railways
- Railway road-beds for long-line and commuter railways, street tramways, and underground or elevated urban rapid-transit systems. Railway electrification structures are included.
- Exclusion: Other subway constructions are classified in subclass 52224 (Subways).
- 52213 Airfield runways
- Airfield runways, including taxi-ways and related airport structures other than buildings.
- 5222 Bridges, elevated highways, tunnels and subways
- 52221 Bridges
- Bridges and viaducts of metal, concrete or other materials, for all types of land transport and for pedestrians.
- 52222 Elevated highways
- Elevated highways for motor vehicle traffic.
- 52223 Tunnels
- Highway and railway tunnels (except for underground railways) and tunnel construction related works.
- Exclusions: Vehicular and pedestrian underpasses are classified in subclass 52211 (Highways (except elevated highways), streets, roads, railways, airfield runways).
- Underground railway tunnels are classified in subclass 52224 (Subways).
- Tunnels associated with mining operations are classified in subclass 52261 (Mining constructions).

52224 Subways

Tunnel constructions and other underground constructions related to underground railway traffic.

5223 Waterways, harbours, dams and other waterworks

52231 Aqueducts and other water supply conduits, except pipelines

Aqueducts, water conduits and similar waterways designed to convey water for the purpose of water supply, except pipelines.

Exclusions: Waterworks for irrigation or flood control are classified in subclass 52234.

Long distance pipelines and local pipelines are classified in subclass 52241 and 52250, respectively.

DIVISION 64 HOTEL AND RESTAURANT SERVICES

641 Hotel and other lodging services

Lodging accommodations provided to transients.

Exclusions: Food and beverage serving services are classified in groups 642 and 643, respectively. Residential lodging services are classified in division 82 (Real estate services).

6411 64110 Hotel lodging services

Lodging and related services typically provided by hotels. Related services comprise services normally furnished with and included in the lodging price and include room service, desk service, mail service and bellboy service.

Hotels also generally make available other services such as parking, food, beverages, entertainment, swimming pools, banquet, convention and meeting facilities. Resort hotels may provide extensive recreational facilities. These various services are included here, if provided as a part of the price of lodging. If they are priced separately, they are classified according to the service provided.

The services rendered by hotels are generally more complete than those offered by motels and other lodging places.

6412 64120 Motel lodging services

Lodging and related services typically provided by motels, including all services normally included in the price of lodging. Motels are typically located along highways or thoroughfares and cater specifically to the needs of people travelling by car. Parking is thus generally included. The services rendered are generally less complete than full hotel service.

6419 Other lodging services

64191 Children's holiday camp services

Lodging and related services provided by children's holiday camps. Included are all other services provided by such camps in connection with the provision of lodging.

64192 Holiday centre and holiday home services

Lodging and related services provided by adult or family holiday camps, vacation bungalows and similar holiday homes. Included are all other services provided by such establishments in connection with the provision of lodging.

64193 Letting services of furnished accommodation

Lodging and related services provided by rooming houses, boarding houses, cabins, private apartments and homes and similar lodging facilities. Most of these units provide only lodging, although some may include food serving services.

Exclusions: Hotel and motel lodging services are classified in subclass 64110 and 64120, respectively.

64194 Youth hostel and mountain shelter services

Lodging and related services provided by school dormitories, residence halls, youth hostels, mountain shelters and similar facilities. These services are distinguished from full hotel service by the lesser extent of service provided and by the specific group of the population to whom such services are rendered.

64195 Camping and caravanning site services

Lodging and related services provided by trailer and recreational vehicle parks, campsites and similar facilities. Such services include provision of the site only or of the site and the tent or trailer situated thereon.

Exclusions: Rental services of residential mobile home sites are classified in subclass 82101 (Renting or leasing services involving own or leased residential property).

Rental services of caravans and trailers for use off-site are classified in subclass 83105 (Leasing or rental services concerning other land transport equipment without operator).

Lodging and related services of a type not elsewhere classified.

642 Food serving services

6421 64210 Meal serving services with full restaurant service

Food preparation and serving services and related beverage serving services furnished by restaurants, cafes and similar eating facilities providing full service consisting of waiter service to individual customers seated at tables (including counters or booths), with or without entertainment. Included are such services provided by restaurants, bars, nightclubs and similar facilities, operated in hotels or other lodging places or in transport facilities, e.g. in trains or aboard ships.

Exclusion: Serving services of beverages without prepared food are classified in subclass 64310, if without entertainment, and in 64320, if with entertainment.

6422 64220 Meal serving services in self-service facilities

Food preparation and serving services and related beverage serving services furnished by eating facilities that provide a range of pre-cooked foods from which the customer makes individual selections and is billed accordingly. These facilities provide seating but no individual waiter service; they are often known as cafeterias.

- 6423 64230 Caterer services, providing meals to outside
Food preparation and serving services provided by caterers to groups, on the premises or elsewhere. Included are related beverage serving services.
- 6429 64290 Other food serving services
Other food preparation and serving services and related beverage services furnished, e.g. by refreshment stands.
- 643 Beverage serving services for consumption on the premises
- 6431 64310 Beverage serving services without entertainment
Beverage serving services, mostly alcoholic beverages, delivered by bars and similar facilities, without entertainment. Included are such services provided by bars operated in hotels or other lodging places or in transport facilities, e.g. in trains or aboard ships.
Exclusion: Serving services for food and beverages are classified in subclass 64210 (Meal serving services with full restaurant service).
- 6432 64320 Beverage serving services with entertainment
Beverage serving services, mostly alcoholic beverages, delivered by bars, nightclubs and similar facilities, with entertainment.
Exclusion: Serving services for food and related beverages are classified in subclass 64210 (Meal serving services with full restaurant service).

DIVISION 85 RESEARCH AND DEVELOPMENT SERVICES

Research and development services consisting in scientific progress achieved in the various fields of natural or social sciences in the three areas of R&D, i.e. basic research, applied research and experimental development. R&D services are subdivided into groups, classes and subclasses according to the sciences to which the R&D services relate.

- 851 8510 Research and experimental development services on natural sciences and engineering
- 85101 Research and experimental development services on physical sciences
 Research and experimental development services on physical sciences, including research and experimental development services on heat, light, electromagnetism, astronomy, etc.
- 85102 Research and experimental development services on chemistry and biology
 Research and experimental development services on chemistry and biology, including research and experimental development services on catalyzer, fermentation, physiology and ecology of animals and plants, microorganisms, etc.
- 85103 Research and experimental development services on engineering and technology
 Research and experimental development services on engineering and technology, including research and experimental development services on applied science and technology for casting, metal, machinery, electricity, communications, vessels, aircraft, civil engineering, construction, information, etc.

- 85104 Research and experimental development services on agricultural sciences
 Research and experimental development services on agricultural sciences, including research and experimental development services on agricultural techniques, fruit culture, forestry, stockbreeding, fisheries, etc.
- 85105 Research and experimental development services on medical sciences and pharmacy
 Research and experimental development services on medical sciences and pharmacy, including research and experimental development services on treatment of diseases, preventive hygiene, pharmacy, etc.
- 85109 Research and experimental development services on other natural sciences
 Research and experimental development services on other natural sciences.
- 852 8520 Research and experimental development services on social sciences and humanities
- 85201 Research and experimental development services on cultural sciences, sociology and psychology
 Research and experimental development services on cultural sciences, sociology and psychology, including research and experimental development on literature, philosophy, history, welfare, educational psychology, etc.
- 85202 Research and experimental development services on economics
 Research and experimental development services on economics, including research and experimental development services on theories of economics, business management, finance, statistics, etc.
- 85203 Research and experimental development services on law
 Research and experimental development services on law, including research and experimental development services on public law, civil law, etc.
- 85204 Research and experimental development services on linguistics and languages
 Research and experimental development services on linguistics and languages, including research and experimental development services on linguistic structure and distribution, foreign languages, etc.
- 85209 Research and experimental development services on other social sciences and humanities
 Research and experimental development services on other social sciences and humanities.

853 Interdisciplinary research and experimental development services

8530 85300 Interdisciplinary research and experimental development services

Interdisciplinary research and experimental development services on interdisciplinary sciences, including research and experimental development services on environmental sciences, educational engineering, human geography, etc.

DIVISION 86LEGAL, ACCOUNTING, AUDITING AND BOOKKEEPING SERVICES; TAXATION SERVICES; MARKET RESEARCH AND PUBLIC OPINION POLLING SERVICES; MANAGEMENT AND CONSULTING SERVICES; ARCHITECTURAL, ENGINEERING AND OTHER TECHNICAL SERVICES

861 Legal services

8611 Legal advisory and representation services in the different fields of law

86111 Legal advisory and representation services concerning criminal law

Legal advisory and representation services during the litigation process, and drafting services of legal documentation in relation to criminal law. Generally, this implies the defence of a client in front of a judicial body in a case of criminal offence. However, it can also consist of acting as a prosecutor in a case of criminal offence when private legal practitioners are hired on a fee basis by the government. Included are both the pleading of a case in court and out-of-court legal work. The latter comprises research and other work for the preparation of a criminal case (e.g. researching legal documentation, interviewing witnesses, reviewing police and other reports), and the execution of post-litigation work, in relation to criminal law.

86119 Legal advisory and representation services in judicial procedures concerning other fields of law

Legal advisory and representation services during the litigation process, and drafting services of legal documentation in relation to law other than criminal law. Representation services generally consist of either acting as a prosecutor on behalf of the client, or defending the client from a prosecution. Included are both the pleading of a case in court, and out-of-court legal work. The latter comprises research and other work for the preparation of a case (e.g. researching legal documentation, interviewing witnesses, reviewing police and other reports), and the execution of post-litigation work, in relation to law other than criminal law.

8612 86120 Legal advisory and representation services in statutory procedures of quasi-judicial tribunals, boards, etc.

Legal advisory and representation services during the litigation process, and drafting services of legal documentation in relation to statutory procedures. Generally, this implies the representation of a client in front of a statutory body (e.g. an administrative tribunal). Included are both the pleading of a case in front of authorized bodies other than judicial courts, and the related legal work. The latter

comprises research and other work for the preparation of a non-judicial case (e.g. researching legal documentation, interviewing witnesses, reviewing reports), and the execution of post-litigation work.

8613 86130 Legal documentation and certification services

Preparation, drawing up and certification services of legal documents. The services generally comprise the provision of a number of related legal services including the provision of advice and the execution of various tasks necessary for the drawing up or certification of documents. Included are the drawing up of wills, marriage contracts, commercial contracts, business charters, etc.

8619 86190 Other legal advisory and information services

Advisory services to clients related to their legal rights and obligations and providing information on legal matters not elsewhere classified. Services such as escrow services and estate settlement services are included.

862 Accounting, auditing and bookkeeping services

8621 Accounting and auditing services

86211 Financial auditing services

Examination services of the accounting records and other supporting evidence of an organization for the purpose of expressing an opinion as to whether financial statements of the organization present fairly its position as at a given date and the results of its operations for the period ended on that date in accordance with generally accepted accounting principles.

86212 Accounting review services

Reviewing services of annual and interim financial statements and other accounting information. The scope of a review is less than that of an audit and therefore the level of assurance provided is lower.

86213 Compilation of financial statements services

Compilation services of financial statements from information provided by the client. No assurances regarding the accuracy of the resulting statements are provided. Preparation services of business tax returns, when provided as a bundle with the preparation of financial statements for a single fee, are classified here.

Exclusion: Business tax preparation services, when provided as separate services, are classified in subclass 86302 (Business tax preparation and review services).

86219 Other accounting services

Other accounting services such as attestations, valuations, preparation services of pro forma statements, etc.

8622 86220 Bookkeeping services, except tax returns

Bookkeeping services consisting in classifying and recording business transactions in terms of money or some unit of measurement in the books of account.

Exclusion: Bookkeeping services related to tax returns are classified in subclass 86302 (Business tax preparation and review services).

863 8630 Taxation services

86301 Business tax planning and consulting services

Advisory services to enterprises on how to arrange their affairs, with a view to minimizing the impact of income taxation on their profits by taking advantage of all allowances and benefits that the law provides.

Exclusion: Similar advisory services but including preparation or review services of various returns and reports for the client are classified in subclass 86302 (Business tax preparation and review services).

86302 Business tax preparation and review services

Services consisting in preparing or reviewing, for enterprises, various returns and reports required for compliance with the income tax laws and regulations and defending them if contested by the tax authorities. This may also include tax planning and control.

Exclusion: Advisory services on tax planning not including preparation or review services of returns and reports are classified in subclass/86301 (Business tax planning and consulting services).

86303 Individual tax preparation and planning services

Services consisting in advising individuals on the means to minimize the impact of income tax on their revenues by taking advantage of all allowances and benefits that the law provides and/or preparing the returns and reports required for compliance with tax laws and regulations.

86309 Other tax related services

Services consisting in assisting enterprises in tax planning and control other than income tax and preparing all documentation required by law.

864 8640 Market research and public opinion polling services

86401 Market research services

Investigation services designed to secure information on the prospects and performance of an organization's products in the market. Included here are market analysis (size and other characteristics of a market) and analysis of consumer attitudes and preferences, which may utilize personal interviews, telephone and mail surveys, historical data, etc. Economic and social intelligence services not in connection with merchandised products, such as industry analysis, econometric modelling, demographic analysis, etc., are also included.

Exclusion: Public opinion polling services are classified in subclass/86402.

86402 Public opinion polling services

Investigation services designed to secure information on public opinions regarding social, economic, political and other issues. Public opinion polling is typically done by telephone interviews but may also utilize personal interviews and mail surveys.

Exclusion: Similar investigation services designed to gather intelligence on consumer attitudes and preferences are classified in subclass 86401 (Market research services).

865 8650 Management consulting services

86501 General management consulting services

Advisory, guidance and operational assistance services concerning business policy and strategy and the overall planning, structuring and control of an organization. More specifically, general management consulting assignments may deal with one or a combination of the following: policy formulation, determination of the organizational structure (decision-making system) that will most effectively meet the objectives of the organization, legal organization, strategic business plans, defining a management information system, development of management reports and controls, business turnaround plans, management audits, development of profit improvement programmes and other matters which are of particular interest to the higher management of an organization.

86502 Financial management consulting services (except business tax)

Advisory, guidance and operational assistance services concerning decision areas which are financial in nature, such as working capital and liquidity management, determination of an appropriate capital structure, analysis of capital investment proposals, development of accounting systems and budgetary controls, business valuations prior to mergers and/or acquisitions, etc., but excluding advisory services on short-term portfolio management which are normally offered by financial intermediaries.

86503 Marketing management consulting services

Advisory, guidance and operational assistance services concerning the marketing strategy and marketing operation of an organization. Marketing consulting assignments may deal with one or a combination of the following: analysis and formulation of a marketing strategy, formulation of customer service and pricing policies, sales management and staff training, organization of distribution channels (sell to wholesalers or directly to retailers, direct mail, franchise, etc.), organization of the distribution process, package design and other matters related to the marketing strategy and operations of an organization.

86504 Human resources management consulting services

Advisory, guidance and operational assistance services concerning the human resources management of an organization. Human resources consulting assignments may deal with one or a combination of the following: audit of the personnel function, development of a human resource policy, human resource planning, recruitment procedures, motivation and remuneration strategies, human resource development, labour-management relations, absenteeism control, performance appraisal and other matters related to the personnel management function of an organization.

86505 Production management consulting services

Advisory, guidance and operational assistance services concerning methods for improving productivity, reducing production costs and improving the quality of production. Production consulting assignments may deal with one or a combination of the following: effective utilization of materials in the production process, inventory management and control, quality control standards, time and motion studies, job and work methods, performance standards, safety standards, office management, planning and design and other matters related to production management, but excluding advisory services and design for plant layout and industrial processes which are normally offered by consulting engineering establishments.

86506 Public relations services

Advisory, guidance and operational assistance services concerning methods to improve the image and relations of an organization or individual with the general public, government, voters, shareholders and others.

86509 Other management consulting services

Advisory, guidance and operational assistance services concerning other matters. These services include industrial development consulting services, tourism development consulting services, etc.

866 8660 Services related to management consulting

86601 Project management services other than for construction

Coordination and supervision services of resources in preparing, running and completing a project on behalf of the client. Project management services can involve budgeting, accounting and cost control, procurement, planning of timescales and other operating conditions, coordination of subcontractors' work, inspection and quality control, etc. These services consist only of management services; operating staff services are excluded.

Exclusions: Construction project management services are classified in class 8671 (Architectural services), 8672 (Engineering services) and, for turnkey projects, 8673 (Integrated engineering services).

86602 Arbitration and conciliation services

Assistance services through arbitration or mediation for the settlement of a dispute between labour and management, between businesses or between individuals.

Exclusions: Representation services on behalf of one of the parties in the dispute and consulting services in the field of labour relations are classified in subclass 86190 (Other legal advisory and information services), 95110 (Services furnished by business and employers organizations) and 95200 (Services furnished by trade unions), respectively.

86609 Other management services n.e.c.

Management services, not elsewhere classified.

867 Architectural, engineering and other technical services

8671 Architectural services

86711 Advisory and pre-design architectural services

Assistance, advisory and recommendation services concerning architectural and related matters. Included here are services as undertaking preliminary studies addressing issues such as site philosophy, intent of development, climatic and environmental concerns, occupancy requirements, cost constraints, site selection analysis, design and construction scheduling and any other issues affecting the nature of the design and construction of a project. The provision of these services is not necessarily related to a new construction project. For example, it may consist of advice concerning the means of carrying out maintenance, renovation, restoration or recycling of buildings, or appraisals of the value and quality of buildings or of advice on any other architectural matter.

86712 Architectural design services

Architectural design services for buildings and other structures. Design services may consist of one or a combination of the following: schematic design services, which consist of determining, with the client, the essential character of the project, defining intent, space requirements, budget limitations and time scheduling; and of preparing sketches including floor plans, site plans and exterior views; design development services, which consist of a more precise illustration of the design concept in terms of siting plan, form, material to be used, structural, mechanical and electrical systems and probable construction costs; final design services, which consist of drawings and written specifications sufficiently detailed for tender submission and construction, and of expert advice to the client at the time of calling for and accepting tenders.

86713 Contract administration services

Advisory and technical assistance services to the client during the construction phase to ensure that the structure is being erected in conformity with the final drawings and specifications. This involves services provided both in offices and the field, such as construction inspection, preparation of progress reports, issuance of certificates for payments to the contractor, guidance to the client and the contractor in the interpretation of contract documents and any other advice on technical questions that may develop during construction.

86714 Combined architectural design and contract administration services

Combinations of architectural services utilized on most projects including schematic design, design development, final design and contract administration services. This may include post construction services which consist of the assessment of deficiencies in construction and instructions regarding corrective measures to be taken during the 12-month period following the completion of the construction.

86719 Other architectural services

All other services requiring the expertise of architects, such as the preparation of promotional material and presentations, preparation of as-built drawings, constant site representation during the construction phase, provision of operating manuals, etc.

8672 Engineering services

86721 Advisory and consultative engineering services

Assistance, advisory and recommendation services concerning engineering matters. Included here are the undertaking of preparatory technical feasibility studies and project impact studies. Examples are: study of the impact of topography and geology on the design, construction and cost of a road, pipeline or other transportation infrastructure; study of the quality or suitability of materials intended for use in a construction project and the impact on design, construction and cost of

using different materials; study of the environmental impact of a project; study of the efficiency gains in production as a result of alternative process, technology or plant layout. The provision of these services is not necessarily related to a construction project. It may consist, for example, of the appraisal of the structural, mechanical and electrical installations of buildings, of expert testimony in litigation cases, of assistance to government bodies in drafting laws, etc.

86722 Engineering design services for the construction of foundations and building structures

Structural engineering design services for the load-bearing framework of residential and commercial, industrial and institutional buildings. Design services consist of one or a combination of the following: preliminary plans, specifications and cost estimates to define the engineering design concept; final plans, specifications and cost estimates, including working drawings, specifications regarding materials to be used, method of installation, time limitations and other specifications necessary for tender submission and construction and expert advice to the client at the time of calling for and accepting tenders; services during the construction phase.

Exclusion: Engineering services for buildings if they are an integral part of the engineering design service for a civil work or production plant or facility.

86723 Engineering design services for mechanical and electrical installations for buildings

Mechanical and electrical engineering design services for the power system, lighting system, fire alarm system, communication system and other electrical installations for all types of buildings and/or the heating, ventilating, air conditioning, refrigeration and other mechanical installations for all types of buildings. Design services consist of one or a combination of the following: preliminary plans, specifications and cost estimates to define the engineering design concept; final plans, specifications and cost estimates, including working drawings, specifications regarding materials to be used, method of installation, time limitations and other specifications necessary for tender submission and construction and expert advice to the client at the time of calling for and accepting tenders; services during the construction phase.

86724 Engineering design services for the construction of civil engineering works

Engineering design services for the construction of civil engineering works, such as bridges and viaducts, dams, catchment basins, retaining walls, irrigation systems, flood control works, tunnels, highways and streets including interchanges and related works, locks, canals, wharves and harbours works, water supply and sanitation works such as water distribution systems, water, sewage, industrial and solid waste treatment plants and other civil engineering projects. Design services consist of one or a combination of the following: preliminary plans,

specifications and cost estimates to define the engineering design concept; final plans, specifications and cost estimates, including working drawings, specifications regarding materials to be used, method of installation, time limitations and other specifications necessary for tender submission and construction and expert advice to the client at the time of calling for and accepting tenders; services during the construction phase. Included are engineering design services for buildings if they are an integral part of the engineering design for a civil engineering work.

86725 Engineering design services for industrial processes and production

Engineering design services for production processes, procedures and facilities. Included here are design services as they relate to methods of cutting, handling and transporting logs and logging site layout; mine development layout and underground construction, the complete civil, mechanical and electrical mine surface plant installations including hoists, compressors, pumping stations, crushers, conveyors and ore and waste-handling systems; oil and gas recovery procedures, the construction, installation and/or maintenance of drilling equipment, pumping stations, treating and storage facilities and other oil field facilities; materials flows, equipment layout, material handling systems, processes and process control (which may integrate computer technology) for manufacturing plants; special machinery, equipment and instrumentation systems; any other design services for production procedures and facilities. Design services consist of one or a combination of the following: preliminary plans, specifications and cost estimates to define the engineering design concept; final plans, specifications and cost estimates, including working drawings, specifications regarding materials to be used, method of construction and/or installation, time limitations and other specifications necessary for tender submission and construction and expert advice to the client at the time of calling for and accepting tenders; services during the installation phase. Included are engineering design services for buildings if they are an integral part of the engineering design service for a production plant or facility.

86726 Engineering design services n.e.c.

Other specialty engineering design services. Included here are acoustical and vibration engineering designs, traffic control systems designs, prototype development and detailed designs for new products and any other specialty engineering design services.

Exclusion: The aesthetic design of products and the complete design of products which do not require complex engineering (e.g. furniture) are classified in subclass 87907 (Specialty design services).

86727 Other engineering services during the construction and installation phase

Advisory and technical assistance services to the client during construction to ensure that construction work is in conformity with the

final design. This involves services provided both in offices and in the field, such as the review of shop drawings, periodic visits to the site to assess progress and quality of the work, guiding the client and the contractor in the interpretation of contract documents and any other advice on technical questions that may develop during construction.

86729 Other engineering services

Engineering services not elsewhere classified. Included here are geotechnical engineering services providing engineers and architects with necessary subsurface information to design various projects; groundwater engineering services including groundwater resources assessment, contamination studies and quality management; corrosion engineering services including inspection, detection and corrosion control programmes; failure investigations and other services requiring the expertise of engineers.

8673 Integrated engineering services

86731 Integrated engineering services for transportation infrastructure turnkey projects

Fully integrated engineering services for the construction of transportation infrastructure turnkey projects. Services included here are planning and pre-investment studies, preliminary and final design, cost estimation, construction scheduling, inspection and acceptance of contract work as well as technical services, such as the selection and training of personnel and the provision of operation and maintenance manuals and any other engineering services provided to the client that form part of an integrated bundle of services for a turnkey project.

86732 Integrated engineering and project management services for water supply and sanitation works turnkey projects

Fully integrated engineering services for the construction of water supply and sanitation works turnkey projects. Services included here are planning and pre-investment studies, preliminary and final design, cost estimation, construction scheduling, inspection and acceptance of contracts as well as technical services, such as the selection and training of personnel and the provision of operation and maintenance manuals and any other engineering services provided to the client that form part of an integrated bundle of services for a turnkey project.

86733 Integrated engineering services for the construction of manufacturing turnkey projects

Fully integrated engineering services for the construction of manufacturing facilities turnkey projects. Services included here are planning and pre-investment studies to address issues such as the integration of operations, site selection, pollution and effluent control and capital requirements; all necessary structural, mechanical and electrical design services; production process engineering design services including detailed process flow diagrams, general site and plant arrangement drawings, plant and equipment specifications; tender

specifications; construction scheduling inspection and acceptance of work as well as technical services, such as the selection and training of personnel, the provision of operations and maintenance manuals, start-up assistance and any other engineering services that form part of an integrated bundle of services for a turnkey project.

86739 Integrated engineering services for other turnkey projects

Fully integrated engineering services for other construction works. Services included here are planning and pre-investment studies, preliminary and final design, cost estimates, construction scheduling, inspection and acceptance of contracts as well as technical services, such as the selection and training of personnel and the provision of operation and maintenance manuals and any other engineering services provided to the client that form part of an integrated bundle of services for a turnkey project.

8674 Urban planning and landscape architectural services

86741 Urban planning services

Development services of programme regarding land use, site selection, control and utilization, road systems and servicing of land with a view to creating and maintaining systematic, coordinated urban development.

86742 Landscape architectural services

Plan and design services for the aesthetic landscaping of parks, commercial and residential land, etc. This implies preparing site plans, working drawings, specifications and cost estimates for land development, showing ground contours, vegetation to be planted, and facilities such as walks, fences and parking areas. Also included are inspection services of the work during construction.

8675 Related scientific and technical consulting services

86751 Geological, geophysical and other scientific prospecting services

Geological, geophysical, geochemical and other scientific consulting services as they relate to the location of mineral deposits, oil and gas and groundwater by studying the properties of the earth and rock formations and structures. Included here are the services of analysing the results of subsurface surveys, the study of earth sample and core, and assistance and advice in developing and extracting mineral resources.

86752 Subsurface surveying services

Gathering services of information on subsurface earth formations by different methods, including seismographic, gravimetric, magnetometric and other subsurface surveying methods.

86753 Surface surveying services

Gathering services of information on the shape, position and/or boundaries of a portion of the earth's surface by different methods, including transit, photogrammetric and hydrographic surveying, for the purpose of preparing maps.

86754 Map-making services

Map-making services consisting in the preparation and revision of maps of all kinds (e.g. road, cadastral, topographic, planimetric, hydrographic) using results of survey activities, other maps, and other information sources.

8676 Technical testing and analysis services

86761 Composition and purity testing and analysis services

Testing and analysis services of the chemical and biological properties of materials such as air, water, waste (municipal and industrial), fuels, metal, soil, minerals, food and chemicals. Included are testing and analysis services in related scientific fields such as microbiology, biochemistry, bacteriology, etc. Excluded are medical and dental testing services.

86762 Testing and analysis services of physical properties

Testing and analysis services of physical properties such as strength, ductility, electrical conductivity and radioactivity of materials such as metal, plastics, textiles, woods, glass, concrete and other materials. Included are tests for tension, hardness, impact resistance, fatigue resistance, and high-temperature effects.

86763 Testing and analysis services of integrated mechanical and electrical systems

Testing and analysis services of the mechanical and electrical characteristics of complete machinery, motors, automobiles, tools, appliances, communication equipment and other equipment incorporating mechanical and electrical components. The results of the testing and analysis generally take the form of an assessment of the performance and behavioural characteristics of the object tested. Tests may be performed using models or mock-ups of ships, aircraft, dams, etc.

86764 Technical inspection services

Testing and analysis services of a technical or scientific nature which do not alter or affect the object being tested. Included are radiographic, magnetic, and ultrasonic testing of machine parts and structures conducted in order to identify defects. These tests are often conducted on site. Excluded are inspection services of a non-technical or scientific nature, such as visual inspection of buildings, machines, etc.

86769 Other technical testing and analysis services

All other technical testing and analysis services not elsewhere classified.

DIVISION 87 BUSINESS SERVICES N.E.C.

871 Advertising services

8711 87110 Sale or leasing services of advertising space or time

Services provided in soliciting advertising space or time for newspapers, other periodicals, and television stations.

8712 87120 Planning, creating and placement services of advertising

Planning, creating and placement services of advertisements to be displayed through the advertising media.

8719 87190 Other advertising services

Other advertising services not elsewhere classified, including outdoor and aerial advertising services and delivery services of samples and other advertising material.

872 8720 Placement and supply services of personnel

87201 Executive search services

Services consisting in the search for, selection and referral of executive personnel for employment by others. Included in this category are services provided by senior administrators and managers whose functions generally include planning, organizing, directing and controlling activities of private or public sector businesses through subordinate administrators. The services may be supplied to the potential employer or to the prospective employee and may involve the formulation of job descriptions, the screening and testing of applicants, the investigation of references, and other research.

87202 Placement services of office support personnel and other workers

Services consisting in selecting, referring and placing applicants in employment by others on a permanent or temporary basis, except executive search services. The services may be supplied to the potential employer or to the prospective employee and may involve the formulation of job descriptions, the screening and testing of applicants, the investigation of references, etc. Included are the placement of secretaries, clerks, receptionists, book-keepers, data entry operators, typists, word-processor operators, nurses, models, maids, ship crews, etc.

87203 Supply services of office support personnel

Services consisting in supplying on a fee or contract basis to the clients, whether on a temporary or long-term basis, office support personnel hired by the supplier, who pays their emoluments. Included are the provision of personnel such as secretaries, clerks, receptionists, book-keepers, data entry operators, typists and word-processor operators.

87204 Supply services of domestic help personnel

Services consisting in supplying on a fee or contract basis to the clients, whether on a temporary or long-term basis, domestic help personnel hired by the supplier, who pays their emoluments. Included are the provision of maids, nannies, housekeepers, companions, etc.

Exclusions: Supply services of specialized domestic services through employees on the payroll of the supplier are classified according to the services rendered, e.g. as cleaning services, class 8740, or lawn maintenance services, subclass 88110 (Services incidental to agriculture).

87205 Supply services of other commercial or industrial workers

Services consisting in supplying on a fee or contract basis to the clients, whether on a temporary or long-term basis, industrial workers hired by the supplier, who pays their emoluments. Included are supply services of construction workers, maintenance workers, drivers, machinists assemblers, metalworking machine operators, labourers, movers, shippers, etc.

87206 Supply services of nursing personnel

Services consisting in supplying on a fee or contract basis to the clients, whether on a temporary or long-term basis, nursing personnel hired by the supplier, who pays their emoluments. Included are supply services of nurses, nursing assistants and other health care aides.

87209 Supply services of other personnel

Supply services of other personnel not elsewhere classified.

873 8730 Investigation and security services

87301 Investigation services

Services consisting in investigating cases submitted by the client, relating to crimes, theft, fraud, shoplifting, dishonesty, missing persons, domestic relations and other unlawful or lawful practices. Included are internal and undercover investigation and shoplifting protection services.

87302 Security consultation services

Services consisting in determining client's needs and providing advice and suggestions as to the type of security that is best suited for the client or as to improvements in existing systems.

87303 Alarm monitoring services

Services consisting in monitoring and maintaining security systems devices, such as burglar and fire alarms, by receiving alarm signals, confirming or checking that all systems are properly functioning and dispatching police officers, fire department or other designated parties.

87304 Armoured car services

Services consisting in providing an armoured car to pick up and deliver money, receipts or other valuable items, with hired personnel to directly protect properties while in transit. The services generally imply bank collection and deposit services, securities transfer, etc.

87305 Guard services

Services consisting in providing protective services through hired personnel to ensure safety of people or private, industrial and commercial properties by guarding them against fire, theft, vandalism or illegal entry. Included are patrol and inspection services, security guard services, bodyguard services, watchdog services, parking control and access control services.

87309 Other security services

Security services not elsewhere classified.

874 8740 Building cleaning services

87401 Disinfecting and exterminating services

Services consisting in disinfecting dwellings and other buildings and exterminating insects, rodents and other pests. Included are fumigating services and pest control services.

87402 Window cleaning services

Services consisting in cleaning windows in dwellings and other buildings. Included here are cleaning services of exterior windows using swing stages.

87403 Janitorial services

Services consisting in cleaning and maintaining dwellings and other buildings. Included here are floor cleaning and waxing, interior wall cleaning, furniture polishing and other janitorial and maintenance services.

87409 Other building cleaning services

Building cleaning services not elsewhere classified. Included are furnace and chimney cleaning.

Exclusions: Building exterior cleaning services are classified in subclass 51790 (Other building completion and finishing work).

Lawn maintenance services are classified in subclass 88110 (Services incidental to agriculture).

875 8750 Photographic services

87501 Portrait photography services

Services consisting in photographing persons or other subjects in studios or other locations such as clients' offices or homes. The pictures must represent as faithfully as possible the subject's physical features and personality. Generally included with these services is the development and printing of such pictures according to customer specifications. Included are passport or identification photographs, infant and child portraits, family or military portraits, studio fashion photos, and corporate pictures.

87502 Advertising and related photography services

Services consisting in photographing merchandise, industrial products, fashion clothes and other apparel, machinery, buildings, persons and other subjects for use in public relations, advertising displays or literature, such as annual reports, product brochures, newspaper advertisements, catalogues or food and beverage layouts. Generally included with these services is the development and printing of such pictures according to customer specifications.

87503 Action photography services

Services consisting in photographing live events, such as weddings, graduations, conventions, receptions, fashion shows, sports and news events, and any other events of current interest. Generally included with these services is the development and printing of such pictures according to customer specifications.

87504 Specialty photography services

Services consisting in photographing persons, objects or scenery using special apparatus and techniques. Generally these services also include the development and printing of such pictures. Examples of such services are aerial photography, underwater photography, medical and biological photography, and photomicrography.

87505 Photography processing services

Services consisting primarily in the development of negatives and the printing of pictures for others according to customer specifications. These services may include enlargement of negatives or slides, black and white processing, colour printing, slide and negative duplicates, reprints, etc. Also included are preparation services of photographic slides.

87506 Motion picture processing services not related to the motion picture and television industries

Services consisting in the development of motion picture films of both amateur photographers and commercial clients.

Exclusion: Processing services of motion pictures in connection with the motion picture and television industries are classified in subclass 96112 (Motion picture or video tape production services).

87507 Restoration, copying and retouching services of photography
