Notes:

- As IOM continues to grow in response to global migration challenges, its procurement needs grow as well.
- IOM values companies that provide **quality products and services**, ensure their **timely delivery** and propose **favorable post-delivery payment terms**.
- **The highest ethical standards** shall be employed in all procurement transactions, and Vendors shall be chosen based on IOM's procurement policies and defined selection criteria.
- In addition to the procurement approach, IOM has been advancing on the **private sector partnership**, aiming to develop a more strategic private sector partnership for selected requirements specific to programme and projects, particular when innovation and innovative solutions are desired.
- IOM is interested in engaging in partnerships that are **focused on developing sustainable and innovative products, with balanced risk and benefit sharing approach**. IOM therefore appreciates if it could discuss **a concept of innovative partnership, SDG targets and common goals among agencies, the private sector and the target population/governments**.
