## 3. Voices from Participants (excerpt)

### ◆ Working Youth

I was able to gain new knowledge.

## 4. Voice from Japanese Locals (excerpt)

### ◆ Lecturer

I believe that the presentations by the LDC and the ECCC were very meaningful, as was the entire exchange, for we were able to find common issues regarding how to convey the reality of the atomic bombings and how to promote peace, and there were also some initiatives that will be helpful to us.
