

AN INTRODUCTION TO OWIT

THE ORGANISATION OF WOMEN IN INTERNATIONAL TRADE

JULY 2024

What is OWIT

OWIT – the organisation of women in international trade - is a global not-for-profit membership organisation for women and men working in all facets of international trade, designed to promote the advancement of women in trade and business.

It Supports and Facilitates

- By providing access to training and skills,
- by ensuring their voices are heard at all levels,
- by contributing towards policy that impacts them,
- by enabling and empowering women in trade through the global ecosystem and OWIT Chapters.

Mission Fostering international trade around the globe and
the advancement of women in business.

Our Pillars

01

Gender Trade Advocacy: Consult and contribute to policy impacting women in trade

02

Empowering the Ecosystem: Enable and empower the ecosystem for women in trade

03

Access to Knowledge: Facilitate, signpost and enable access to training, learning and upskilling

04

Network Support: Support through access to the global OWIT network and chapters

05

Partner Collaboration: Partner, collaborate and contribute towards economic empowerment through advocacy, discussion, participation and sharing of knowledge

Message from OWIT International President, Hulya Kurt

Today, we are recognizing the many ways women worldwide have pushed through barriers and continue to succeed. Our collaborators, partners, and members interweave innovation and positive change to bridge new horizons. On IWD24, I reaffirm my commitment and dedicate my leadership to constructing bridges and shattering trade barriers for the future of women. Happy International Women's Day.

Advocacy
Advocate for supportive policies by encouraging governments to include gender-specific considerations in trade agreements.

Market Insights and Intelligence
Gather relevant data and insights if and where possible, provide insights, research and intelligence specific to women-led businesses trading across borders.

Inclusive Trade Missions
Assist in the organization of trade missions focused on women-led businesses trading internationally.

Visibility Campaigns
Launch global visibility campaigns to showcase the success stories of women entrepreneurs and the opportunities ahead.

Our Global Programme

Capacity Building, Training & Upskilling

ONLINE TRAINING PROGRAMME ON INTRA-AFRICAN TRADE IN PROCESSED FOODS

Key Objectives:

- 1. Increase the capacity of women entrepreneurs to export to other markets
- 2. Increase their knowledge of export requirements, procedures, and standards
- 3. Increase their capacity to develop an export strategy
- 4. Increase their capacity to produce the necessary documents, packaging, and other export requirements under the AfCFTA

Target Audience:

Female-owned businesses in the processed food sector interested in starting or expanding exports to African markets

Available products and packaging in products

No.	Name of Training Module	Starts	Registration Link
1	How to successfully produce, export and export your product to the market for export	21 May	Registration Link
2	Develop your export marketing strategy	28 May	Registration Link
3	Develop your export strategy through social media	04 Jun	Registration Link
4	Business training on how to develop a successful export strategy (2023-2024)	11 Jun	Registration Link
5	Export 101: The basics of exporting and how to build an export	18 Jun	Registration Link

UK Chapter Launch June 2021

A virtual launch during the pandemic which had over 160 participants. Supported by global partners and collaborators, we launched a programme focused on three pillars.

OWIT UK: Pillars

- Advocacy on trade finance and access to funding to women in trade
- Champion digitalization and access to digital tools, infrastructure, skills and marketplaces
- Promote, organise and deliver programmes centered around capacity building and trade facilitation

OWIT UK: Programme of Activities

Going Global:
