

*Chair's Statement  
APEC PERU 2024*

*In the context of the 35<sup>th</sup> APEC Ministerial Meeting that took place in Lima, some economies expressed their views on Russia and Ukraine and the situation in Gaza.*

*Some economies considered that these issues have an impact on the global economy and could be treated in APEC, while other economies do not believe that APEC is a forum to discuss these issues.*

*Recalling APEC's foundational principles, the Chair urged economies to uplift their commitment to the strengthening of APEC as an effective cooperation platform, based on consensus as its most important tool.*
