

CEAPAD IV KUALA LUMPUR ACTION PLAN 2025

We, the Ministers and the representatives, concurred on adopting the Kuala Lumpur Action Plan 2025 at the Fourth Ministerial Meeting of the Conference on Cooperation among the East Asian Countries for Palestinian Development (CEAPAD IV) on 11 July 2025 in Kuala Lumpur. This Action Plan will guide members of the CEAPAD in assisting Palestine in areas, among others, humanitarian aid, reconstruction and state-building through capacity-building and technical cooperation.

1. Palestinian Needs

Palestinian people find imminent and mid-to-long term assistance needs in:

a.	Humanitarian Response for Gaza
b.	Early Recovery and Reconstruction in Gaza
c.	Economic Development
d.	State-Building and Reforms

2. Fields of Strength of CEAPAD Partners

CEAPAD partners will spare no efforts to provide assistance to Palestine in the following fields where they can draw on their own resources, knowledge, and expertise of socio-economic development:

a.	Health and Water, Sanitation, and Hygiene (WASH)
b.	Housing
c.	Social Protection
d.	Solid Waste Management/Disposal
e.	Debris Management
f.	Unexploded Ordnance Management
g.	Security, Police, Law Enforcement
h.	Governance
i.	Education
j.	Construction
k.	Agriculture and Industrial development
l.	Private Sector Development
m.	Technology and Artificial Intelligence
n.	Business to Business Cooperation
o.	Youth Development

3. Ways of Cooperation

CEAPAD partners will coordinate in the following forms to identify best ways of their cooperation with Palestine:

a.	Human resource development and capacity-building as technical cooperation
b.	Forms of bilateral, trilateral, or triangular cooperation
