2. Each Contracting Party shall, subject to its rights to exercise powers in accordance with its applicable laws and regulations, including those with regard to foreign ownership and control, admit investment of investors of the other Contracting Party.

Article 3  
National Treatment

1. Each Contracting Party shall in its Territory accord to investors of the other Contracting Party and to their investments treatment no less favourable than the treatment it accords in like circumstances to its own investors and to their investments with respect to investment activities.
2. Paragraph 1 shall not be construed to prevent a Contracting Party from adopting or maintaining a measure that prescribes special formalities in connection with investment activities of investors of the other Contracting Party in its Territory, provided that such special formalities do not impair the substance of the rights of such investors under this Agreement.

Article 4  
Most-Favoured-Nation Treatment

1. Each Contracting Party shall in its Territory accord to investors of the other Contracting Party and to their investments treatment no less favourable than the treatment it accords in like circumstances to investors of a non-Contracting Party and to their investments with respect to investment activities.

Note: For greater certainty, the treatment referred to in this Article does not encompass international dispute settlement procedures or mechanisms under any international agreement.

2. Each Contracting Party shall in its Territory accord to investors of the other Contracting Party and to their investments treatment no less favourable than the treatment it accords in like circumstances to investors of a non-Contracting Party and to their investments with respect to the matters relating to the admission of investment.

Article 5  
General Treatment

Each Contracting Party shall in its Territory accord to investments of investors of the other Contracting Party treatment in accordance with customary international law, including fair and equitable treatment and full protection and security. For greater certainty, the concepts of “fair and equitable treatment” and “full protection and security” do not require treatment in addition to, or beyond that which is required by the customary international law minimum standard of treatment of aliens, and do not create additional substantive rights.

Article 6  
Access to the Courts of Justice

Each Contracting Party shall in its Territory accord to investors of the other Contracting Party treatment no less favourable than the treatment which it accords in like circumstances to its own investors or to investors of a non-Contracting Party with respect to access to the courts of justice and administrative tribunals and agencies in all degrees of jurisdiction, both in pursuit and in defence of the rights of the investors of the other Contracting Party.

Article 7  
Prohibition of Performance Requirements

1. Neither Contracting Party may impose or enforce any of the following requirements, or enforce any commitment or undertaking, in connection with investment activities of an investor of a Contracting Party or of a non-Contracting Party in its Territory:

Note: A “licence contract” referred to in this subparagraph means any licence contract concerning transfer of technology, a production process, or other proprietary knowledge.

- (d) to transfer a production process or other proprietary knowledge to a natural person or an enterprise in its Territory;
- (e) to locate the headquarters of the investor for a specific region or the world market in its Territory;
- (f) to achieve a given level or value of research and development in its Territory; or
- (g) to supply one or more of the goods that the investor produces or the services that the investor provides to a specific region or the world market, exclusively from its Territory.

2. Neither Contracting Party may restrict sales of goods or services in its Territory that an investment of the investor produces or provides by relating such sales in any way to the volume or value of its exports or foreign exchange earnings, as a condition for the receipt or continued receipt of an advantage, in connection with investment activities of an investor of a Contracting Party or of a non-Contracting Party in its Territory.

3.
  - (a) Nothing in paragraph 2 shall be construed to prevent a Contracting Party from conditioning the receipt or continued receipt of an advantage, in connection with investment activities of an investor of a Contracting Party or of a non-Contracting Party in its Territory, on compliance with a requirement to locate production, supply a service, train or employ workers, construct or expand particular facilities, or carry out research and development, in its Territory.
  - (b) Subparagraphs 1(c) and 1(d) shall not apply when the requirement is imposed or the commitment or undertaking is enforced by a court of justice, administrative tribunal or competition authority to remedy an alleged violation of competition laws.
  - (c) Subparagraph 1(d) shall not apply when the requirement concerns the transfer of intellectual property rights which is undertaken in a manner not inconsistent with the TRIPS Agreement.
4. The provisions of the Agreement on Trade-Related Investment Measures in Annex 1A to the WTO Agreement are incorporated into and made part of this Agreement, *mutatis mutandis*.
5. Paragraphs 1 and 2 shall not apply to any requirement other than the requirements set out in those paragraphs.

## Article 8 Transparency

1. Each Contracting Party shall promptly publish, or otherwise make publicly available, its laws, regulations, administrative procedures and administrative rulings and judicial decisions of general application as well as international agreements which pertain to or affect the implementation and operation of this Agreement.
2. Each Contracting Party shall, upon request by the other Contracting Party, promptly respond to specific questions and provide that other Contracting Party with information on matters set out in paragraph 1.

3. Paragraphs 1 and 2 shall not be construed to oblige either Contracting Party to disclose confidential information, the disclosure of which would impede law enforcement or otherwise be contrary to the public interest, or which would prejudice privacy or legitimate commercial interests.

#### Article 9

##### Public Comment Procedures

Each Contracting Party shall, in accordance with its laws and regulations, endeavour to provide, except in cases of emergency or of purely minor nature, a reasonable opportunity for comments by the public before the adoption, amendment or repeal of regulations of general application that affect any matter covered by this Agreement.

##### Measures against Corruption

Each Contracting Party shall ensure that measures and efforts are undertaken to prevent and combat corruption regarding matters covered by this Agreement in accordance with its laws and regulations.

#### Article 11

##### Entry, Sojourn and Residence of Investors

Each Contracting Party shall, subject to its applicable laws and regulations, permit entry, sojourn and residence of a natural person having the nationality of the other Contracting Party as well as any personnel employed by, and an executive, a manager and a member of the board of directors of, an enterprise of the other Contracting Party, who wish to enter the territory of the former Contracting Party and remain therein for the purpose of investment activities.

Article 12  
Expropriation and Compensation

1. Neither Contracting Party shall expropriate or nationalise an investment in its Territory of an investor of the other Contracting Party or take any measure equivalent to expropriation or nationalisation (hereinafter referred to as “expropriation”) except:

- (a) for a public purpose;
- (b) in a non-discriminatory manner;
- (c) upon payment of prompt, adequate and effective compensation in accordance with paragraphs 2 through 5; and
- (d) in accordance with due process of law.

2. The compensation shall be equivalent to the fair market value of the expropriated investments at the time when the expropriation was publicly announced or when the expropriation occurred, whichever is earlier. The fair market value shall not reflect any change in value occurring because the expropriation had become publicly known earlier.

3. The compensation shall be paid without delay, shall include interest at a commercially reasonable rate accrued from the date of expropriation until the date of payment and shall be effectively realisable and freely transferable.

4. If payment is made in a freely usable currency, the compensation paid shall include interest, at a commercially reasonable rate for that currency, accrued from the date of expropriation until the date of payment.

5. If a Contracting Party elects to pay in a currency other than a freely usable currency, the compensation paid, converted into the currency of payment at the market rate of exchange prevailing on the date of payment, shall be no less than the sum of the following:

- (a) the fair market value on the date of expropriation, converted into a freely usable currency at the market rate of exchange prevailing on that date; and

- (b) interest, at a commercially reasonable rate for that freely usable currency, accrued from the date of expropriation until the date of payment.

6. This Article does not apply to the issuance of compulsory licences granted in relation to intellectual property rights in accordance with the TRIPS Agreement, or to the revocation, limitation or creation of intellectual property rights, to the extent that such issuance, revocation, limitation or creation is consistent with the TRIPS Agreement.

### Article 13

#### Compensation for Losses or Damages

1. Each Contracting Party shall accord to investors of the other Contracting Party that have suffered loss or damage relating to their investments in the Territory of the former Contracting Party due to armed conflict or a state of emergency such as revolution, insurrection, civil disturbance or any other similar event in the Territory of that former Contracting Party, treatment, as regards restitution, indemnification, compensation or any other settlement, that is no less favourable than that which it accords to its own investors or to investors of a non-Contracting Party, whichever is more favourable to the investors of the other Contracting Party.

2. Without prejudice to paragraph 1, if an investor of a Contracting Party, in a situation referred to in paragraph 1, suffers a loss in the Territory of the other Contracting Party resulting from:

- (a) requisitioning of its investment or part thereof by the latter's forces or authorities; or
- (b) destruction of its investment or part thereof by the latter's forces or authorities, which was not required by the necessity of the situation,

the latter Contracting Party shall provide the investor restitution, compensation or both, as appropriate, for that loss.

3. Any payment as a means of settlement referred to in paragraphs 1 and 2 shall be effectively realisable, freely transferable and freely convertible at the market exchange rate into freely usable currencies.

4. Neither Contracting Party shall be derogated from its obligation under paragraphs 1 and 2 by reason of its measures taken pursuant to paragraph 2 of Article 16.

#### Article 14 Subrogation

If a Contracting Party or its designated agency makes a payment to its own investor under an indemnity, guarantee or insurance contract in respect of an investment of such investor in the Territory of the other Contracting Party, the latter Contracting Party shall recognise the assignment to the former Contracting Party or its designated agency of any right or claim of such investor on account of which such payment is made. In case the payment referred to in the previous sentence is made, the latter Contracting Party shall recognise that the former Contracting Party or its designated agency is entitled to exercise such right and enforce such claim by virtue of subrogation, to the same extent as the original right or claim of the investor. As regards payment to be made to that former Contracting Party or its designated agency by virtue of such assignment of right or claim and the transfer of such payment, the provisions of Articles 12, 13 and 15 shall apply *mutatis mutandis*.

#### Article 15 Transfers

1. Each Contracting Party shall ensure that all transfers relating to investments in its Territory of an investor of the other Contracting Party may be freely made into and out of its Territory without delay. Such transfers shall include, in particular, though not exclusively:

- (a) the initial capital and additional amounts to maintain or increase investments;
- (b) current incomes accruing from investments, including profits, interest, capital gains, dividends, royalties, fees;
- (c) payments made under a contract including loan payments in connection with investments;

- (d) proceeds of the total or partial sale or liquidation of investments;
- (e) earnings and remuneration of personnel from abroad who work in connection with investments in the Territory of the former Contracting Party;
- (f) payments made in accordance with Articles 12 and 13; and
- (g) payments arising out of a dispute.

2. Each Contracting Party shall further ensure that such transfers may be made without delay in freely usable currencies at the market exchange rate prevailing on the date of the transfer.

3. Notwithstanding paragraphs 1 and 2, a Contracting Party may delay or prevent a transfer through the equitable, non-discriminatory and good-faith application of its laws and regulations relating to:

- (a) bankruptcy, insolvency or the protection of the rights of creditors;
- (b) issuing, trading or dealing in securities, futures, options or derivatives;
- (c) criminal or penal offences;

- (f) ensuring compliance with payment of taxes and levies.

Article 16  
General and Security Exceptions

1. Subject to the requirement that such measures are not applied by a Contracting Party in a manner which would constitute a means of arbitrary or unjustifiable discrimination against, or a disguised restriction on investors of the other Contracting Party and their investments in the Territory of the former Contracting Party, nothing in this Agreement shall be construed to prevent the former Contracting Party from adopting or enforcing measures:

- (a) necessary to protect human, animal or plant life or health;
- (b) necessary to protect public morals or to maintain public order, provided that the public order exception may only be invoked where a genuine and sufficiently serious threat is posed to one of the fundamental interests of society;
- (c) necessary to secure compliance with the laws or regulations which are not inconsistent with the provisions of this Agreement including those relating to:
  - (i) the prevention of deceptive and fraudulent practices or to deal with the effects of a default on contract;
  - (ii) the protection of the privacy of the individual in relation to the processing and dissemination of personal data and the protection of confidentiality of personal records and accounts; or
  - (iii) safety; or
- (d) imposed for the protection of national treasures of artistic, historic or archaeological value.

2. Subject to paragraph 4 of Article 13, nothing in this Agreement shall be construed to prevent a Contracting Party from adopting or enforcing measures:

- (a) which it considers necessary for the protection of its essential security interests, including measures:
  - (i) taken in time of war, armed conflict, or other emergency in that Contracting Party or in international relations; or
  - (ii) relating to the implementation of national policies or international agreements respecting the non-proliferation of weapons; or
- (b) in pursuance of its obligations under the United Nations Charter for the maintenance of international peace and security.

3. Nothing in this Agreement shall be construed to require a Contracting Party to furnish or allow access to any information the disclosure of which it determines to be contrary to its essential security interests.

4. In cases where a Contracting Party takes any measure, pursuant to paragraph 2, that does not conform with the obligations of the provisions of this Agreement, that Contracting Party shall not use such measure as a means of avoiding its obligations.

#### Article 17

#### Temporary Safeguard Measures

1. A Contracting Party may adopt or maintain restrictive measures with regard to cross-border capital transactions as well as payments or transfers including transfers referred to in Article 15 for transactions related to investments:

2. Restrictive measures referred to in paragraph 1 shall:

- (a) be applied in such a manner that the other Contracting Party is treated no less favourably than any non-Contracting Party;
- (b) be consistent with the Articles of Agreement of the International Monetary Fund;
- (c) not exceed those necessary to deal with the circumstances set out in paragraph 1;
- (d) be temporary and be phased out progressively as the situation specified in paragraph 1 improves;
- (e) be promptly notified to the other Contracting Party; and
- (f) avoid unnecessary damages to the commercial, economic and financial interests of the other Contracting Party.

## Article 18 Prudential Measures

1. Notwithstanding any other provisions of this Agreement, a Contracting Party shall not be prevented from taking measures relating to financial services for prudential reasons, including measures for the protection of investors, depositors, policy holders or persons to whom a fiduciary duty is owed by an enterprise supplying financial services, or to ensure the integrity and stability of its financial system.

2. Where the measures taken by a Contracting Party pursuant to paragraph 1 do not conform with this Agreement, they shall not be used as a means of avoiding the obligations of the Contracting Party under this Agreement.

Article 19  
Intellectual Property Rights

1. The Contracting Parties shall grant and ensure the adequate and effective protection of intellectual property rights, and promote efficiency and transparency in intellectual property protection system. For this purpose, the Contracting Parties shall promptly consult with each other at the request of either Contracting Party. Depending on the results of the consultation, each Contracting Party shall, in accordance with its laws and regulations, take appropriate measures to remove the factors which are recognised as having adverse effects to the investments of investors of the other Contracting Party.
2. Nothing in this Agreement shall affect the rights and obligations of the Contracting Parties under multilateral agreements in respect of protection of intellectual property rights to which the Contracting Parties are parties.
3. Nothing in this Agreement shall be construed to oblige either Contracting Party to extend to investors of the other Contracting Party and to their investments treatment accorded to investors of a non-Contracting Party and to their investments by virtue of multilateral agreements in respect of protection of intellectual property rights, to which the former Contracting Party is a party.

Article 20  
Taxation Measures

1. Nothing in this Agreement shall affect the rights and obligations of either Contracting Party under any tax convention. In the event of any inconsistency between this Agreement and any such convention, that convention shall prevail to the extent of the inconsistency.
2. Articles 3 and 4 shall not apply to taxation measures.

Article 21  
Health, Safety and Environmental Measures  
and Labour Standards

Each Contracting Party recognises that it is inappropriate to encourage investment by investors of the other Contracting Party and of a non-Contracting Party by relaxing its health, safety or environmental measures, or by lowering its labour standards. To this effect, each Contracting Party should not waive or otherwise derogate from such measures or standards as an encouragement for the establishment, acquisition or expansion of investments in its Territory by investors of the other Contracting Party and of a non-Contracting Party.

Article 22  
Denial of Benefits

1. A Contracting Party may deny the benefits of this Agreement to an investor of the other Contracting Party that is an enterprise of the other Contracting Party and to its investments if the enterprise is owned or controlled by an investor of a non-Contracting Party and the denying Contracting Party:

- (a) does not maintain diplomatic relations with the non-Contracting Party; or
- (b) adopts or maintains measures with respect to the non-Contracting Party that prohibit transactions with the enterprise or that would be violated or circumvented if the benefits of this Agreement were accorded to the enterprise or to its investments.

2. A Contracting Party may deny the benefits of this Agreement to an investor of the other Contracting Party that is an enterprise of the other Contracting Party and to its investments if the enterprise is owned or controlled by an investor of a non-Contracting Party or of the denying Contracting Party and the enterprise has no substantial business activities in the Territory of the other Contracting Party.

3. For the purpose of this Article, an enterprise is:

- (a) “owned” by an investor if more than fifty percent of the equity interest in it is beneficially owned by the investor; and
- (b) “controlled” by an investor if the investor has the power to name a majority of its directors or otherwise to legally direct its actions.

## CHAPTER II DISPUTE SETTLEMENT

### Article 23

#### Settlement of Disputes between the Contracting Parties

1. Each Contracting Party shall accord sympathetic consideration to, and shall afford adequate opportunity for consultation regarding, such representations as the other Contracting Party may make with respect to any matter affecting the implementation of this Agreement.
2. Any dispute between the Contracting Parties as to the interpretation and application of this Agreement, not satisfactorily adjusted by diplomacy, shall be referred for decision to an arbitration board. Such arbitration board shall be constituted for each dispute in the following way. Within sixty days from the date of receipt by either Contracting Party from the other Contracting Party of a note requesting arbitration of the dispute, each Contracting Party shall appoint an arbitrator. The two arbitrators shall select a third arbitrator who, upon approval by the Contracting Parties, shall be appointed as the Chairperson, provided that the third arbitrator shall not be a national of either Contracting Party. The Chairperson shall be appointed within sixty days from the date of appointment of the other two arbitrators.
3. If the necessary appointments referred to in paragraph 2 have not been made within the periods referred to in that paragraph, either Contracting Party may, unless otherwise agreed, request the Secretary-General of the Permanent Court of Arbitration at The Hague to make such appointments.

4. The arbitration board shall determine its own procedural rules, after consultation with the Contracting Parties. The arbitration board shall decide the dispute in accordance with this Agreement and the rules and principles of international law applicable to the subject matter. The arbitration board shall within a reasonable period of time reach its decision by a majority of votes. Such decision shall be final and binding.

5. Each Contracting Party shall bear the cost of the arbitrator of its choice and its representation in the arbitral proceedings. The cost of the Chairperson of the arbitration board in discharging his or her duties and the remaining costs of the arbitration board shall be borne equally by the Contracting Parties.

Article 24  
Settlement of Investment Disputes  
between a Contracting Party  
and an Investor of the Other Contracting Party

1. In the event of an investment dispute between the claimant and the respondent, they should initially seek to resolve the dispute through consultation and negotiation, which may include the use of non-binding, third-party procedures.

2. In the event that a disputing party considers that an investment dispute cannot be settled by consultation and negotiation:

(a) the claimant, on its own behalf, may submit to arbitration under this Article a claim:

(i) that the respondent has breached:

(A) an obligation under Chapter I; or

(B) an investment agreement to which the claimant is a party;  
and

(ii) that the claimant has incurred loss or damage by reason of, or arising out of, that breach; and

- (b) the claimant, on behalf of an enterprise of the respondent that is a legal person that the claimant owns or controls directly or indirectly, may submit to arbitration under this Article a claim:

3. At least ninety days before submitting any claim to arbitration under this Article, a claimant shall deliver to the respondent a written notice of its intention to submit the claim to arbitration (hereinafter referred to as “notice of intent”). The notice of intent shall specify:

- (a) the name and address of the claimant and, in the case of subparagraph 2(b), the name, address and place of incorporation of the enterprise;
- (b) for each claim, the provision of Chapter I or of investment agreement alleged to have been breached and any other relevant provisions;
- (c) the legal and factual basis for each claim; and

6. Each Contracting Party hereby consents to the submission of a claim to arbitration under this Article in accordance with this Agreement. For greater certainty, in the case of a claim submitted pursuant to subparagraph 2(a)(i)(B) or 2(b)(i)(B), if the investment agreement provides a provision that designates forum for dispute settlement, such provision shall not be construed as the revocation or exclusion of such consent with respect to a claim alleging a breach of the investment agreement.

7. Notwithstanding paragraph 6, no claim may be submitted to arbitration under this Article if more than three years have elapsed from the date on which the claimant first acquired, or should have first acquired, knowledge of the breach alleged under paragraph 2 and knowledge that the claimant in the case of subparagraph 2(a) or the enterprise referred to in subparagraph 2(b) in the case of that subparagraph has incurred loss or damage.

8. No claim may be submitted to arbitration under this Article unless:

(a) in the case of subparagraph 2(a):

- (i) the claimant consents in writing to arbitration in accordance with the procedures set out in this Article; and
- (ii) the claimant waives in writing any right to initiate or continue before any administrative tribunal or court of justice under the law of either Contracting Party, or other dispute settlement procedures, any proceedings with respect to any measure alleged to constitute a breach referred to in subparagraph 2(a)(i); and
