

2030 Agenda for Sustainable Goals (SDGs) (September 2015)

Goal 5. Achieve gender equality and empower all women and girls

Development Cooperation Charter (February 2015)

Articulated the importance of women's participation "in every phase of development"

Basic Principles

1. Promoting Women's and Girls' Rights

2. Improving an Enabling Environment for Women and Girls to Reach their Full Potentials

3. Advancing Women's Leadership in Politics, Economy and Other Public Fields

Approach

- ✓ Diversity and socio-culturally sensitive approach through dialogue and collaboration
- ✓ Accelerating gender mainstreaming in projects and organizations
- ✓ Building high-impact partnerships

Priority Areas

1. Promoting Women's and Girls' Rights

- Elimination of Gender-based Violence and Discrimination
- Gender-responsive Infrastructure and Safe Community
- Elimination of Violence against Women in Conflict
- Emergency Assistance from Gender Equality Perspective
