

# GGP JAPAN

## Meeting Basic Human Needs for Local Communities

**Grant Assistance for Grass-Roots Human Security Projects (GGP)** is a grant scheme, initiated by the Japanese Government, to assist local governments and non-profit organizations in response to various development needs by providing hard components such as facilities and equipment. The maximum grant amount is capped at approx. USD 90,000 (as of Jan. 2019), and projects shall be completed within 12 months from the signing of the grant contract.

Nationwide	4
Kaduna and Plateau	1
Ogun and Enugu	1

## Ambassador's Message

Japan is strongly committed to supporting Nigeria as declared at the Sixth Tokyo International Conference on African Development (TICAD VI), and Japan will host TICAD7 in August 2019. By taking this important occasion as an opportunity, I hope the bilateral relationship will be further strengthened.

Mr. Yutaka Kikuta — Ambassador of Japan to Nigeria
