

カンボジア調査 調査設問表**\* CCC に対する基本質問リスト \***

1. CCC is one of the most active actors regarding the issues of CSO development effectiveness. Where does the motivation come from and how do you see the importance of the IP?
2. What kind of efforts have you made to promote the IP among Cambodian CSOs?  
Ex. Organizing a workshop, developing a brochure, approaching a relevant organization one by one, developing a check-list...
3. (Related to Q2) CCC has been implementing Governance Hub Program (GHP). How is the GHP related to implementation of the IP? How does the GHP contribute to the promotion/implementation of the IP?
4. (Related to Q1,2) Voluntary Certification System has been put in place as one of the important elements of the GHP. How is VCS related to the promotion of the IP?  
\*JANIC also has a system “Accountability Self-Check 2008” – often described as “ASC2008”. However, ASC2008 has not been related to implementation of the IP directly.
5. What are the major challenges for CCC in promoting the IP and how do you tackle the challenges?
6. What is the percentage of CSOs that recognize the IP among your member organizations?  
To what extent do they understand the importance and value of the IP?  
Do you think your efforts contributed to raising awareness of the IP?
7. How do you use the implementation toolkit developed by Open Forum?  
What will the content of your check-list be like? How and by whom will it be made?  
\*JANIC considers the OF’ s toolkit as one of the many references and will not just copy/translate it.
8. How have you prioritized the three principles (Principle 5, 6 and 7) to work on?  
How will you treat the other 5?  
\*JANIC has also prioritized three principles (Principle 1, 2, and 6) which are one of the most important elements but “unfamiliar” principles among Japanese CSOs.
9. How do you see the responsibility of CSOs from the North in regards to enhancing

development effectiveness/ implementing the IP?

10. What kind of efforts have you been making to improve enabling environment in Cambodia?

What is the current situation of enabling environment in your country?

How does CCC approach the government and related organisations?
