バングラデシュとのナラヤンガンジ・ナルシンジ灌漑施設建設計画のための贈与取極

(Japanese Note)

Dhaka, February 12, 1989

Sir,

I have the honour to refer to the recent discussions held between the representatives of the Government of Japan and of the Government of the People's Republic of Bangladesh concerning Japanese economic cooperation to be extended with a view to strengthening friendly and cooperative relations between the two countries, and to propose on behalf of the Government of Japan the following arrangements:

1. For the purpose of contributing to the execution of the project for the construction of the Narayanganj-Narshingi Irrigation Facilities (hereinafter referred to as "the Project") by the Government of the People's Republic of Bangladesh, the Government of Japan will extend to the Government of the People's Republic of Bangladesh, in accordance with the relevant laws and regulations of Japan, a grant up to seventy-six million yen (¥76,000,000) (hereinafter referred to as "the Grant").
2. The Grant will be made available during the period between the date of coming into force of the present arrangements and March 31, 1989, unless the period is extended by mutual agreement between the authorities concerned of the two Governments.
3. The Grant will be used by the Government of the People's Republic of Bangladesh properly and exclusively for the purchase of the services listed below:

services of Japanese nationals necessary for the detailed design on flood embankment, pumping station, drainage facilities, irrigation facilities, related facilities and equipment to be required for the execution of the Project.

4. The Government of the People's Republic of Bangladesh or its designated authority will enter into contracts in Japanese yen with Japanese nationals for the purchase of the services referred to in paragraph 3. Such contracts shall be verified by the Government of Japan to be eligible for the Grant. (The term Japanese nationals whenever used in the present arrangements means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons.)

5. (1) The Government of Japan will execute the Grant by making payments in Japanese yen to cover the obligations incurred by the Government of the People's Republic of Bangladesh or its designated authority under the contracts verified in accordance with the provisions of paragraph 4 (hereinafter referred to as "the Verified Contracts") to an account to be opened in the name of the Government of the People's Republic of Bangladesh in an authorized foreign exchange bank of Japan designated by the Government of the People's Republic of Bangladesh or its designated authority (hereinafter referred to as "the Bank").

- (2) The payments referred to in subparagraph (1) above will be made when payment requests are presented by the Bank to the Government of Japan under an authorization to pay issued by the Government of the People's Republic of Bangladesh or its designated authority.

(3) The sole purpose of the account referred to in sub-paragraph (1) above is to receive the payments in Japanese yen by the Government of Japan and to pay to the Japanese nationals who are parties to the Verified Contracts. The procedural details concerning the credit to and debit from the account will be agreed upon through consultation between the Bank and the Government of the People's Republic of Bangladesh or its designated authority.

6. The Government of the People's Republic of Bangladesh will take necessary measures:

(1) to exempt Japanese nationals from customs duties, internal taxes and other fiscal levies which may be imposed in the People's Republic of Bangladesh with respect to the supply of the services under the Verified Contracts;

(2) to accord Japanese nationals whose services may be required in connection with the supply of the services under the Verified Contracts such facilities as may be necessary for their entry into the People's Republic of Bangladesh and stay therein for the performance of their work; and

(3) to bear all the expenses, other than those covered by the Grant, necessary for the detailed design to be required for the execution of the Project.

7. The two Governments will consult with each other in respect of any matter that may arise from or in connection with the present arrangements.

I have further the honour to propose that this Note and your Note in reply confirming on behalf of the Government of the People's Republic of Bangladesh the foregoing

arrangements shall be regarded as constituting an agreement between the two Governments, which will enter into force on the date of your reply.

I avail myself of this opportunity to renew to you the assurance of my high consideration.
