Excellency,

I have the honour to refer to the recent discussions held between the representatives of the Government of Japan and of the Government of Western Samoa concerning Japanese economic cooperation to be extended with a view to strengthening friendly and cooperative relations between the two countries, and to propose on behalf of the Government of Japan the following arrangements:

1. For the purpose of contributing to the execution of the Project for the Development of Rural Telecommunications (hereinafter referred to as "the Project") by the Government of Western Samoa, the Government of Japan will extend to the Government of Western Samoa, in accordance with the relevant laws and regulations of Japan, a grant up to six hundred and forty million yen (¥640,000,000) (hereinafter referred to as "the Grant").

2. The Grant will in accordance with the relevant laws and regulations of Japan, be made available during each of the following periods within the limit of the corresponding amount for each term, unless the period is extended by mutual agreement between the authorities concerned of the two Governments.

(1) term I

period between the date of coming into force of the present arrangements and March 31, 1995; two hundred and thirty-four million yen (¥234,000,000).

(2) term II

period between April 1, 1995 and March 31, 1996; four hundred and six million yen (¥406,000,000).

3. (1) The Grant will be used by the Government of Western Samoa properly and exclusively for the purchase of the products of Japan or Western Samoa and the services of Japanese or Western Samoan nationals listed below: (The term nationals whenever used in the present arrangements

means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons in the case of Japanese nationals, and Western Samoan physical or juridical persons in the case of Western Samoan nationals.)

(a) equipment and materials necessary for the execution of the Project and services necessary for the installation thereof; and

(b) services necessary for the transportation of the products referred to in (a) above to ports in Western Samoa, and those for internal transportation therein.

(2) Notwithstanding the provisions of sub-paragraph (1) above, when the two Governments deem it necessary, the Grant may be used for the purchase of the products of the kind mentioned in (a) of sub-paragraph (1) above, which are products of countries other than Japan or Western Samoa and the services of the kind mentioned in (a) and (b) of sub-paragraph (1) above, which are services of nationals of countries other than Japan or Western Samoa.

4. The Government of Western Samoa or its designated authority will enter into contracts in Japanese yen with Japanese nationals for the purchase of the products and services referred to in paragraph 3. Such contracts shall be verified by the Government of Japan to be eligible for the Grant.

5. (1) The Government of Japan will execute the Grant by making payments in Japanese yen to cover the obligations incurred by the Government of Western Samoa or its designated authority under the contracts verified in accordance with the provisions of paragraph 4 (hereinafter referred to as "the Verified Contracts") to an account to be opened in the name of the Government of Western Samoa in an authorized foreign exchange bank of Japan designated by the Government of Western Samoa or its designated authority (hereinafter referred to as "the Bank").

(2) The payments referred to in sub-paragraph (1) above will be made when payment requests are presented by the Bank to the Government of Japan under an authorization to pay issued by the Government of Western Samoa or its designated authority.

(3) The sole purpose of the account referred to in sub-paragraph (1) above is to receive the payments in Japanese yen by the Government of Japan and to pay to the Japanese nationals who are parties to the Verified Contracts. The procedural details concerning the credit to

and debit from the account will be agreed upon through consultation between the Bank and the Government of Western Samoa or its designated authority.

6. (1) The Government of Western Samoa will take necessary measures:

- (a) to secure a lot of land necessary for the execution of the Project and to clear the site;
- (b) to provide facilities for distribution of electricity and other incidental facilities outside the site;
- (c) to ensure prompt unloading and customs clearance at ports of disembarkation in Western Samoa and internal transportation therein of the products purchased under the Grant;
- (d) to exempt Japanese nationals from customs duties, internal taxes and other fiscal levies which may be imposed in Western Samoa with respect to the supply of the products and services under the Verified Contracts;
- (e) to accord Japanese nationals whose services may be required in connection with the supply of the products and services under the Verified Contracts such facilities as may be necessary for their entry into Western Samoa and stay therein for the performance of their work;
- (f) to ensure that the products purchased under the Grant be maintained and used properly and effectively for the execution of the Project; and
- (g) to bear all the expenses, other than those covered by the Grant, necessary for the execution of the project.
- (2) With regard to the shipping and marine insurance of products purchased under the Grant, the Government of Western Samoa will refrain from imposing any restrictions that may hinder fair and free competition among the shipping and marine insurance companies.
