Ulaanbaatar, June 12, 2000

Excellency,

I have the honour to refer to the recent discussions held between the representatives of the Government of Japan and of the Government of Mongolia concerning Japanese economic cooperation to be extended with a view to strengthening friendly and cooperative relations between the two countries, and to propose on behalf of the Government of Japan the following arrangements:

1. For the purpose of contributing to the execution of the Project for Improvement of Regional Health Services and Diagnosis Centers (hereinafter referred to as "the Project") by the Government of Mongolia, the Government of Japan will extend to the Government of Mongolia, in accordance with the relevant laws and regulations of Japan, a grant up to one billion one hundred and ninety-two million yen (¥1,192,000,000) (hereinafter referred to as "the Grant").

2. The Grant will be made available during the period between the date of coming into force of the present arrangements and March 31, 2001, unless the period is extended by mutual agreement between the authorities concerned of the two Governments.

3. (1) The Grant will be used by the Government of Mongolia properly and exclusively for the purchase of the products of Japan or Mongolia and the services of Japanese or Mongolian nationals listed below: (The term "nationals" whenever used in the present arrangements means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons in the case of Japanese nationals, and Mongolian physical or juridical persons in the case of Mongolian nationals.)

(a) equipment necessary for the execution of the Project and services necessary for the installation thereof;

(b) vehicles necessary for the execution of the Project and services necessary for the procurement thereof;

(c) services necessary for the transportation of the products referred to in (a) and (b) above to Mongolia, and those for internal transportation therein; and

(d) services necessary for the training in operating the said equipment.

(2) Notwithstanding the provisions of sub-paragraph (1) above, when the two Governments deem it necessary, the Grant may be used for the purchase of the products of the kind mentioned in (a) and (b) of sub-paragraph (1) above, which are products of countries other than Japan or Mongolia and the services of the kind mentioned in (a), (b), (c) and (d) of sub-paragraph (1) above, which are services of nationals of countries other than Japan or Mongolia.

4. The Government of Mongolia or its designated authority will enter into contracts in Japanese yen with Japanese nationals for the purchase of the products and services referred to in paragraph 3. Such contracts shall be verified by the Government of Japan to be eligible for the Grant.

5. (1) The Government of Japan will execute the Grant by making payments in Japanese yen to cover the obligations incurred by the Government of Mongolia or its designated authority under the contracts verified in accordance with the provisions of paragraph 4 (hereinafter referred to as "the Verified Contracts") to an account to be opened in the name of the Government of Mongolia in a bank of Japan designated by the Government of Mongolia or its designated authority (hereinafter referred to as "the Bank").

(2) The payments referred to in sub-paragraph (1) above will be made when payment requests are presented by the Bank to the Government of Japan under an authorization to pay issued by the Government of Mongolia or its designated authority.

(3) The sole purpose of the account referred to in sub-paragraph (1) above is to receive the payments in the Japanese yen by the Government of Japan and to pay to the Japanese nationals who are parties to the Verified Contracts. The procedural details concerning the credit to and debit from the account will be agreed upon through consultation between the Bank and the Government of Mongolia or its designated authority.

6. (1) The Government of Mongolia will take necessary measures:

(a) to ensure prompt customs clearance in Mongolia and internal transportation therein of the products purchased under the Grant;

(d) to ensure that the products purchased under the Grant be maintained and used properly and effectively for the execution of the Project; and

(e) to bear all the expenses, other than those covered by the Grant, necessary for the execution of the Project.

(2) With regard to the shipping and marine insurance of the products purchased under the Grant, the Government of Mongolia will refrain from imposing any restrictions that may hinder fair and free competition among the shipping and marine insurance companies.

(3) The products purchased under the Grant shall not be re-exported from Mongolia.

7. The two Governments will consult with each other in respect of any matter that may arise from or in connection with the present arrangements.
