Excellency,

I have the honour to refer to the Exchange of Notes dated November 9, 2000, between the Government of Japan and the Government of Mongolia concerning Japanese economic cooperation for the execution of the project for Improvement of Roads in Ulaanbaatar (hereinafter referred to as "the Project").

2. The Grant will, in accordance with the relevant laws and regulations of Japan, be made available during each of the following periods within the limit of the corresponding amount for each term, unless such period is extended by mutual agreement between the authorities concerned of the two Governments:

(1) term I

period between the date of coming into force of the present arrangements and March 31, 2002;

seven hundred and forty-one million yen (¥741,000,000).

(2) term II

three hundred and sixty million yen (¥360,000,000).

3. (1) The Grant will be used by the Government of Mongolia properly and exclusively for the purchase of the products of Japan or Mongolia and the services of Japanese or Mongolian nationals listed below: (The term "nationals" whenever used in the present arrangements means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons in the case of Japanese nationals, and Mongolian physical or juridical persons in the case of Mongolian nationals.)

(a) products and services necessary for the improvement of roads and interconnections (hereinafter jointly referred to as "the Facilities"); and

(b) services necessary for the transportation of the products referred to in (a) above to Mongolia, and those for internal transportation therein.

- (2) Notwithstanding the provisions of sub-paragraph (1) above, when the two Governments deem it necessary, the Grant may be used for the purchase of the products of the kind mentioned in (a) of sub-paragraph (1) above, which are products of countries other than Japan or Mongolia and the services of the kind mentioned in (a) and (b) of sub-paragraph (1) above, which are services of nationals of countries other than Japan or Mongolia.

4. The Government of Mongolia or its designated authority will enter into contracts in Japanese yen with Japanese nationals for the purchase of the products and services referred to in paragraph 3. Such contracts shall be verified by the Government of Japan to be eligible for the Grant.

5. (1) The Government of Japan will execute the Grant by making payments in Japanese yen to cover the obligations incurred by the Government of Mongolia or its designated authority under the contracts verified in accordance with the provisions of paragraph 4 (hereinafter referred to as "the Verified Contracts") to an account to be opened in the name of the Government of Mongolia in a bank of Japan designated by the Government of Mongolia or its designated authority (hereinafter referred to as "the Bank").

(2) The payments referred to in sub-paragraph (1) above will be made when payment requests are presented by the Bank to the Government of Japan under an authorization to pay issued by the Government of Mongolia or its designated authority.

(3) The sole purpose of the account referred to in sub-paragraph (1) above is to receive the payments in Japanese yen by the Government of Japan and to pay to the Japanese nationals who are parties to the Verified Contracts. 6. (1) The Government of Mongolia will take necessary measures:
