2. The Grant will be made available during the period between the date of coming into force of the present arrangements and March 31, 2002, unless the period is extended by mutual agreement between the authorities concerned of the two Governments.

3. The Grant will be used by the Government of the Republic of the Philippines properly and exclusively for the purchase of the services of Japanese nationals listed below (The term "Japanese nationals" whenever used in the present arrangements means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons.):

services necessary for the detailed design for the execution of the Project.

4. The Government of the Republic of the Philippines or its designated authority will enter into contracts in Japanese yen with Japanese nationals for the purchase of the services referred to in paragraph 3. Such contracts shall be verified by the Government of Japan to be eligible for the Grant.

5. (1) The Government of Japan will execute the Grant by

making payments in Japanese yen to cover the obligations incurred by the Government of the Republic of the Philippines or its designated authority under the contracts verified in accordance with the provisions of paragraph 4 (hereinafter referred to as "the Verified Contracts") to an account to be opened in the name of the Government of the Republic of the Philippines in a bank of Japan designated by the Government of the Republic of the Philippines or its designated authority (hereinafter referred to as "the Bank").

(2) The payments referred to in sub-paragraph (1) above will be made when payment requests are presented by the Bank to the Government of Japan under an authorization to pay issued by the Government of the Republic of the Philippines or its designated authority.

(3) The sole purpose of the account referred to in sub-paragraph (1) above is to receive the payments in Japanese yen by the Government of Japan and to pay to the Japanese nationals who are parties to the Verified Contracts. The procedural details concerning the credit to and debit from the account will be agreed upon through consultation between the Bank and the Government of the Republic of the Philippines or its designated authority.

6. (1) The Government of the Republic of the Philippines will take necessary measures:

(a) to accord Japanese nationals whose services may be required in connection with the supply of the services under the Verified Contracts such facilities as may be necessary for their entry into the Republic of the Philippines and stay therein for the performance of their work; and

(b) to bear all the expenses, other than those covered by the Grant, necessary for the detailed design for the execution of the Project.

(2) (a) The Government of the Republic of the Philippines will exempt Japanese nationals from all duties and related fiscal charges which may be imposed in the Republic of the Philippines with respect to the import of the products and services supplied under the Verified Contracts;
