Excellency,

2. The Grant will, in accordance with the relevant laws and regulations of Japan, be made available during each of the following periods within the limit of the corresponding amount for each term, unless such period is extended by mutual agreement between the authorities concerned of the two Governments:

3. (1) The Grant will be used by the Government of the Republic of the Philippines properly and exclusively for the purchase of the products of Japan or the Republic of the Philippines and the services of Japanese or Philippine nationals listed below: (The term "nationals" whenever used in the present arrangements means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons in the case of Japanese nationals, and Philippine physical or juridical persons in the case of Philippine nationals.)

- (a) products and services necessary for the construction of a hydraulic laboratory building (hereinafter referred to as "the Facility");
- (b) equipment necessary for the execution of the Project and services necessary for the installation thereof;
- (c) vehicles necessary for the execution of the Project and services necessary for the procurement thereof; and
- (d) services necessary for the transportation of the products referred to in (a), (b) and (c) above to ports in the Republic of the Philippines, and those for internal transportation therein.

- (2) Notwithstanding the provisions of sub-paragraph (1) above, when the two Governments deem it necessary, the Grant may be used for the purchase of the products of the kind mentioned in (a), (b) and (c) of sub-paragraph (1) above, which are products of countries other than Japan or the Republic of the Philippines and the services of the kind mentioned in (a), (b), (c) and (d) of sub-paragraph (1) above, which are services of nationals of countries other than Japan or the Republic of the Philippines.

Such contracts shall be verified by the Government of Japan to be eligible for the Grant.

5. (1) The Government of Japan will execute the Grant by making payments in Japanese yen to cover the obligations incurred by the Government of the Republic of the Philippines or its designated authority under the contracts verified in accordance with the provisions of paragraph 4 (hereinafter referred to as "the Verified Contracts") to an

account to be opened in the name of the Government of the Republic of the Philippines in a bank of Japan designated by the Government of the Republic of the Philippines or its designated authority (hereinafter referred to as "the Bank").

6. (1) The Government of the Republic of the Philippines will take necessary measures:

(c) In connection with sub-paragraphs (a) and (b) above, the Government of the Republic of the Philippines or its executing agencies will be responsible for the prompt liquidation or settlement of such fiscal levies, duties, taxes and other similar charges.

(3) With regard to the shipping and marine insurance of the products purchased under the Grant, the Government of the Republic of the Philippines will refrain from imposing any restrictions that may hinder fair and free competition among the shipping and marine insurance companies.
