Excellency,

I have the honour to refer to the recent discussions held between the representatives of the Government of Japan and of the Government of the Kingdom of Swaziland concerning Japanese economic cooperation to be extended with a view to strengthening friendly and cooperative relations between the two countries, and to propose on behalf of the Government of Japan the following arrangements:

1. For the purpose of contributing to the execution of the Rural Water Supply Project (hereinafter referred to as "the Project") by the Government of the Kingdom of Swaziland, the Government of Japan will extend to the Government of the Kingdom of Swaziland, in accordance with the relevant laws and regulations of Japan, a grant up to six hundred and sixty million yen (¥660,000,000) (hereinafter referred to as "the Grant").
2. The Grant will be made available during the period between the date of coming into force of the present arrangements and December 18, 1996, unless the period is extended by mutual agreement between the authorities concerned of the two Governments.
3. (1) The Grant will be used by the Government of the Kingdom of Swaziland properly and exclusively for the purchase of the products of Japan or the Kingdom of Swaziland and the services of Japanese or Swaziland's nationals listed below: (The term nationals whenever used in the present arrangements means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons in the case of Japanese nationals, and Swaziland's physical or juridical persons in the case of Swaziland's nationals.)
 - (a) products and services necessary for the construction of water supply facilities (hereinafter referred to as "the Facilities");
 - (b) vehicles, equipment and materials necessary for the execution of the Project and services necessary for the procurement thereof; and
 - (c) services necessary for the transportation of

the products referred to in (a) and (b) above to the Kingdom of Swaziland, and those for internal transportation therein.

- (2) Notwithstanding the provisions of sub-paragraph (1) above, when the two Governments deem it necessary, the Grant may be used for the purchase of the products of the kind mentioned in (a) and (b) of sub-paragraph (1) above, which are products of countries other than Japan or the Kingdom of Swaziland and the services of the kind mentioned in (a), (b) and (c) of sub-paragraph (1) above, which are services of nationals of countries other than Japan or the Kingdom of Swaziland.
4. The Government of the Kingdom of Swaziland or its designated authority will enter into contracts in Japanese yen with Japanese nationals for the purchase of the products and services referred to in paragraph 3. Such contracts shall be verified by the Government of Japan to be eligible for the Grant.
5. (1) The Government of Japan will execute the Grant by making payments in Japanese yen to cover the obligations incurred by the Government of the Kingdom of Swaziland or its designated authority under the contracts verified in accordance with the provisions of paragraph 4 (hereinafter referred to as "the Verified Contracts") to an account to be opened in the name of the Government of the Kingdom of Swaziland in an authorized foreign exchange bank of Japan designated by the Government of the Kingdom of Swaziland or its designated authority (hereinafter referred to as "the Bank").
 - (2) The payments referred to in sub-paragraph (1) above will be made when payment requests are presented by the Bank to the Government of Japan under an authorization to pay issued by the Government of the Kingdom of Swaziland or its designated authority.
 - (3) The sole purpose of the account referred to in sub-paragraph (1) above is to receive the payments in Japanese yen by the Government of Japan and to pay to the Japanese nationals who are parties to the Verified Contracts. The procedural details concerning the credit to and debit from the account will be agreed upon through consultation between the Bank and the Government of the Kingdom of Swaziland or its designated authority.
6. (1) The Government of the Kingdom of Swaziland will take necessary measures:
