(b) equipment necessary for the execution of the Project and services necessary for the installation thereof; and

(c) services necessary for the transportation of the products referred to in (a) and (b) above to the Republic of Malawi, and those for internal transportation therein.

(2) Notwithstanding the provisions of sub-paragraph (1) above, when the two Governments deem it necessary, the Grant may be used for the purchase of the products of the kind mentioned in (a) and (b) of sub-paragraph (1) above, which are products of countries other than Japan or the Republic of Malawi and the services of the kind mentioned in (a), (b) and (c) of sub-paragraph (1) above, which are services of nationals of countries other than Japan or the Republic of Malawi.

4.
