For the purpose of contributing to the execution of the project for Power Supply Expansion in Dar es Salaam (hereinafter referred to as "the Project") by the Government of the United Republic of Tanzania, the Government of Japan will extend to the Government of the United Republic of Tanzania, in accordance with the relevant laws and regulations of Japan, a grant up to forty-five million yen (¥45,000,000) (hereinafter referred to as "the Grant").
2. The Grant will be made available during the period between the date of coming into force of the present arrangements and February 20, 1998, unless the period is extended by mutual agreement between the authorities concerned of the two Governments.
3. The Grant will be used by the Government of the United Republic of Tanzania properly and exclusively for the purchase of the services of Japanese nationals listed below (The term "Japanese nationals" whenever used in the present arrangements means Japanese physical persons or Japanese juridical persons controlled by Japanese physical persons.);
services necessary for the detailed design for the execution of the Project.
4. The Government of the United Republic of Tanzania or its designated authority will enter into contracts in Japanese yen with Japanese nationals for the purchase of the services referred to in paragraph 3. Such contracts shall be verified by the Government of Japan to be eligible for the Grant.
5. (1) The Government of Japan will execute the Grant

by making payments in Japanese yen to cover the obligations incurred by the Government of the United Republic of Tanzania or its designated authority under the contracts verified in accordance with the provisions of paragraph 4 (hereinafter referred to as "the Verified Contracts") to an account to be opened in the name of the Government of the United Republic of Tanzania in an authorized foreign exchange bank of Japan designated by the Government of the United Republic of Tanzania or its designated authority (hereinafter referred to as "the Bank").

(2) The payments referred to in sub-paragraph (1) above will be made when payment requests are presented by the Bank to the Government of Japan under an authorization to pay issued by the Government of the United Republic of Tanzania or its designated authority.

(3) The sole purpose of the account referred to in sub-paragraph (1) above is to receive the payments in Japanese yen by the Government of Japan and to pay to the Japanese nationals who are parties to the Verified Contracts. The procedural details concerning the credit to and debit from the account will be agreed upon through consultation between the Bank and the Government of the United Republic of Tanzania or its designated authority.

6. The Government of the United Republic of Tanzania will take necessary measures:

(1) to exempt Japanese nationals from customs duties, internal taxes and other fiscal levies which may be imposed in the United Republic of Tanzania with respect to the supply of the services under the Verified Contracts;

(2) to accord Japanese nationals whose services may be required in connection with the supply of the services under the Verified Contracts such facilities as may be necessary for their entry into the United Republic of Tanzania and stay therein for the performance of their work; and

(3) to bear all the expenses, other than those covered by the Grant, necessary for the detailed design for the execution of the Project.
