sha	Flimination or reduction of customs duties indicated below shall	duties:	customs	ion of o	reduct	ation o	Elimin	

 $\star$  The Union of Myanmar shall, before 1 January 2023, notify the other Parties in writing the rate of customs duty to be applied.

(c) customs duties on originating goods classified under the tariff lines indicated with "C" shall apply at the Base Rate as from the date of entry

#### into force of this Agreement;

(d)

- customs duties on originating goods classified under the tariff lines indicated with "R" shall be reduced in accordance with the terms and conditions set out in the note indicated in Column 5 in the Schedule of the Union of Myanmar, in Section 2 of this Part; and
- (e) the originating goods classified under the tariff lines indicated with "X" shall be excluded from any tariff commitment referred to in subparagraphs (a) through (d).
- 2. The Union of Myanmar shall reduce the rate of customs duty to not more than 5.0 per cent for the originating goods of at least 40 per cent of the tariff lines indicated with "A" and "B" by 1 April 2021.
- 3. The Union of Myanmar shall eliminate customs duties for the originating goods of at least 90 per cent of the tariff lines indicated with "A" and "B" by 1 April 2023.
- 4. The terms and conditions in the following note shall apply to originating goods specified with the letter (a) in Column 5 in the Schedule of the Union of Myanmar, in Section 2 of this Part.

The rate of customs duty shall be reduced in accordance with the following schedule:

(i) Base Rate, as from the date of entry into force of this Agreement; and

(ii) 5.0 per cent as from the first day of the nineteenth

5. For the purposes of this Part, the term "year" means, with respect to the first year, the period from the date of entry into force of this Agreement until the coming 31 March and, with respect to each subsequent year, the twelve-month period which

starts on 1 April of that year.
