In order to meet the needs of the public media and to promote the development of the cultural, educational, and informational environment, the mass media may have particular regard to:

(1) promoting the production and distribution of children's books;

(2) promoting the production of the arts and cultural materials;

(3) promoting the exchange and cooperation in the production of cultural and informational materials;

(4) promoting the mass media to disseminate information and materials on social and cultural benefits to the public and mental health. To this end, States parties shall take measures to prevent the exploitation of the child, the best interests of the child will be the criterion.

Article 19

States parties shall, in accordance with article 32, take measures to ensure the right of the child to freedom of expression and creativity, including freedom of thought, opinion, and creative expression. States parties shall take steps to promote the development of the cultural, educational, and informational environment.

第二十一条

子供の権利条約

児童の権利条約

First State

States Parties to the Convention shall ensure that the best interests of the child shall be the paramount consideration in all actions concerning children, and that in the case of alternative care for such children, the placement of children shall be determined on the basis of what is in the child's best interests. States Parties shall, in that environment, shall be entitled to special protection and assistance provided by the State.

Second State

States Parties shall in accordance with their national laws ensure that adoption shall be available only if it is provided to the child on an individual basis, on the basis of an appropriate legal procedure. The legal procedures concerned shall, by means of adequate protection, including judicial review, ensure that the adoption is in the best interests of the child.
