

Scale up Japanese ODA for Asia

The key is for Asia to contribute to the growth of the world economy as “the center of growth open to the world”.

Japan will support Asian countries to promptly respond to the financial crisis, and to strengthen growth potential and expand domestic demand.

Utilizing “Emergency Budget Support Japanese ODA Loan”

(Up to 300 billion Yen)

Japan will flexibly provide loans to Asian countries in cooperation with MDBs, for the implementation of necessary economic measures, together with budget support for development.

Environment and Infrastructure Support

Japan will extend fast-track support to environment and infrastructure projects by utilizing Japan’s leading technology and knowledge, which will enable promotion of balancing between economic growth and environmental conservation.

ODA up to 2 trillion Yen (USD 20 billion) to Asia

(Scale up Japan’s contribution to Asia from 1.5 trillion yen announced in Davos, January 2009)
