48. (1) *Japan/Korea* (the reference to Japan is inaccurate, and Korea is shown as an island) (3) Unknown (this map is rare and does not exist in other libraries) (4) 17th century (6) No reference

III. Russian State Naval Archive (1 map) (Saint Petersburg)

49. (1) *Map Edited After a Visit to Japan by a Russian Expedition Sent by Catherine II and Commanded by Lieutenant Adam Erikovich Laxman* (Hokkaido) (3) Saint Petersburg (4) 1794 (6) No reference

Because of its scheduled move, this archive is not open to the public at the moment. We were able to see a catalogue of maps, and nearly all are available at the Russian State Library. The map above was the only one photographed at this archive.

IV. Russian State Archive of Ancient Documents (2 maps) (Moscow)

50. (1) No Title (Map of Hokkaido and Part of the Sea of Japan) (2) Shebalin (3) Thought to have been published by either Okhotsk City or Bolsheretsk City (Kamchatka) (4) Early 1770s (6) Sea of Korea

51. (1) Map of Irkutsk Oblast Including Japan (4) 1817 (6) No reference

V. Archive of Foreign Policy of the Russian Empire (Moscow)

At this archive researchers are unable to borrow maps, and photocopying is

also prohibited. In the mid-twentieth century the Russian History Library compiled several atlases on the basis of maps at this archive, which are kept at various libraries in Russia.

VI. Archive of the Russian Geographic Society (Saint Petersburg)

There are maps in the library of the Russian Geographic Society, but they have yet to be processed, and we were unable to obtain permission to conduct research.
