Notes: (1) Includes debt relief.

(2) Unclassifiable technical cooperation includes technical cooperation for which is not possible to classify the region, such as the dispatch of survey teams to more than one region, subsidies for foreign student support organizations, administrative costs, promotion of development awareness, etc.

(3) Due to rounding, the total figure may not match the sum of the individual parts.

(4) Including assistance to Eastern Europe and graduated countries.

(5) Grants provided through multilateral institutions have conventionally been reported as "Contributions and subscriptions to multilateral institutions, etc." However, since 2006, expenditures clearly addressing a country at the point of disbursement are considered as bilateral ODA and therefore newly reported as "Grant aid."
