*1 Figures for Grant aid include those provided through multilateral institutions that can be classified by country.

*2 * = graduated countries and regions.

*3 Aid to multiple countries for technical cooperation includes the dispatch of survey teams to more than one region, subsidies for foreign student support organizations, administrative costs, the promotion of development awareness costs, etc.

*4 Due to rounding, the total figure may not match the sum of each number.

*5 Country names are general names derived from MOFA's list of countries.

*6 Region classifications are determined by MOFA. Brackets indicate names of regions.

*7 The former Yugoslavia includes Croatia, Kosovo, Slovenia, Serbia, Bosnia and Herzegovina, Macedonia, and Montenegro.

*8 Figures in parenthesis do not include debt cancellation of yen loans and debt reduction of insured commercial claims.

*9 Grants provided through multilateral institutions have conventionally been reported as "Contributions and subscriptions to multilateral institutions, etc." However, since 2006, expenditures clearly addressing a country at the point of disbursement are considered as bilateral ODA and therefore newly reported as "Grant aid."

*10 The disbursement to Kosovo is now being reported independently (In 2008 and previous years, Kosovo's disbursements were included in the disbursement to Serbia).
