

## To enhance business environment in Japan under JTEPA,

1. Both Thai and Japanese governments shall, in accordance with the respective laws and regulations of each country, promote cooperation to further enhance business environment in both countries.
2. For this purpose, Japanese government shall, in accordance with the laws and regulations of Japan, create favorable environment for Thai enterprises and business persons conducting their business activities in Japan. Both Thai and Japanese government shall, in accordance with the respective laws and regulations of each country, take necessary measures including establishing “Liaison Office” as provided for in Articles 33 of Implementing Agreement of JTEPA.
3. “Liaison Office in Japan” has following measure functions:
  - (1) receiving inquires from Thai enterprises with regard to the respective laws and regulations of Japan and other administrative measures of any form of Japan, which may adversely affect the business activities of the enterprises in Japan.
  - (2) transferring the inquires to relevant authorities of Japan
  - (3) providing, in collaboration with relevant authorities of Japan, necessary information and advice to the enterprise.
